Preface

“The ballot is stronger than the bullet.”

“...Elections belong to the people. It's their decision.”

Abraham Lincoln

Elections are the biggest tools of a democracy. In fact, this viable decision making process of selecting *a government of the people, by the people and for the people* forms the very defining line between the democracy and the dictatorial rule.

It won't be wrong to say that when a nation exercises its right to vote, it exercises its power to create its own future. And, when it's about the largest and the most eclectic democracy of the world - India - their importance can never be over-emphasised.

India goes to its 16th Lok Sabha polls in April 2014. In its longest and costliest elections ever, India, with the world's largest electoral force of over 81 Crores, shall vote for 543 parliamentary constituencies starting 7th April'14 till 12th May'14.

Elections have always been huge in India, but this time they are even bigger. The country has seen some major political turnarounds, the air is rife with the voice of the *common man*, many unconventional candidates have joined the political bandwagon, the saga of dynasty politics looks pretty challenged and the masses seem heavily interested in who takes the reins of the nation.

No wonder, Elections 2014 have piqued the curiosity of all and sundry. This is why we at **GaneshaSpeaks.com, India's largest and world's #3 Astrology services provider**, decided to bring out this extremely useful and interesting book.

India goes to 16th LS Elections...What lies ahead?

The world's largest democracy India goes to polls beginning 7th April 2014 to select its 16th Lok Sabha. In its longest and costliest ever elections, India shall vote for 543 parliamentary constituencies with an electoral force of over 814 million voters, again largest in the world. The 2014 General Elections are slated to take place in 9 phases - beginning 7th April 2014 till 12th May 2014. The result of these elections will be declared on 16 May 2014, before the reigning Lok Sabha completes its tenure, slated for 31st May 2014.

This undoubtedly is going to be a sensitive time for the country, and the air is rife with party slogans, promises and wars of words. Ganesha takes a look at the Event Chart created for the start date of 2014 LS Elections, and predicts the way ahead.

Election Chart

7th April 2014, 7:00, Delhi

16th General Elections will be started from 7th April 2014. Voting will be started at 7:00 AM. The Event Chart has been created on this basis.

The Event Chart of 7th April has Aries Ascendant. Elections are going to start with Moon in Gemini, Punarvasu Nakshatra applying Square

to the Ascendant Lord retrograde Mars in Virgo.

So, there will be a lot of indecisiveness amongst the party leaders and voters both, and the speculations shall go on till the counting ends, stars suggest.

The Ascendant Lord Mars is retrograde in this Event Chart, and is placed badly in the 6th House. Also, Ketu is placed in the Ascendant in the Chart. As the Ascendant and its Lord both are weak and afflicted, it looks likely that the ruling party will be facing huge problems during the election time.

On the other hand, the Lord of the 7th House (the House of opposition) Venus is well placed in the 11th House (the House of gains) in this Chart. Also, Venus gets strength by exchange with Saturn. So, the opposition parties look set to be in a stronger position than the ruling party.

Another important factor - The Ascendant Lord Mars in his Kundli will be retrograde on 25 Degrees Virgo when the first phase polling will take place. On the result day, it will be on 15 Degree Virgo. So, Mars' strength will get reduced by 40% on the date of result.

On the other hand, the 7th House Lord Venus will be direct on 7 degree Aquarius. On the result day, Venus will advance to 20 Degree Pisces. It indicates significant rise in strength. Also, Venus will be exalted on the result day.

In this context, the main opposition party BJP's strength will increase more than 100% in these elections, whereas the ruling party Congress' strength will reduce drastically, feels Ganesha.

Applying this effect on the seat tally, Ganesha feels that the BJP may get LS seats between 200 to 225. Congress, however, may get LS seats between 105 to 125.

Eclipse - An annular solar eclipse will occur on April 29'14, and a lunar eclipse will occur on April 15'14. Both these eclipses will not be visible in India. Also, Moon will be in conjunction with Rahu and retrograde Saturn on 17th April 2014.

So, the first phase of polling in Rajasthan, the second phase of polling in Uttar Pradesh and Bihar, Chattisgarh and Madhya Pradesh and voting in Karnataka will remain very important and highly unpredictable. It will bring many shocking results, and will have marked impact on final results of the LS Elections 2014, suggest the stars. **There could also be some untoward happenings and disruptions around eclipses.**

Conclusion

India is going to witness one of the most exciting and keenly fought voting to power.

Narendra Modi's chart indicates great possibilities of coming into power.

It is the NDA government that will be formed at the center with BJP leading it in a prominent way, suggests Ganesha.

**MAJOR
POLITICAL
PARTIES
PREDICTIONS**

Stars don't look set to be in favour of the ruling party Congress, says Ganesha.

The Indian National Congress is the oldest political party in India, and has ruled the country for 49 years since its independence from the Britishers in 1947. It is one of the largest democratic political parties in the world. The Congress was founded in 1885 by Allan Octavian Hume, Dadabhai Naoroji, Dinshaw Wacha, Womesh Chandra Bonnerjee, Surendranath Banerjee, Monomohun Ghose, Mahadev Govind Ranade and William Wedderburn.

In the following decades, the Indian National Congress became the main participant in the Indian Independence Movement against British colonial rule. After independence in 1947, it became the nation's dominant political party and has ruled the country, either on its own or in a coalition, for half a century.

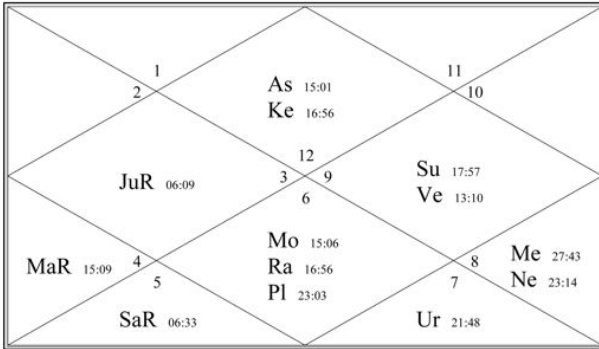

However, since 2010 it has had to face an uphill task, mainly because of its dynastic leadership, myriad charges of corruption and misgovernance. Not many people are optimistic about its chances in the upcoming Lok Sabha elections. Ganesha takes a sneak peek.

Stars Speak (Astrological Factors)

Congress party is passing through the Jupiter Mahadasha and Mercury Bhukti currently, suggests the reading of its party Formation Chart. Mercury is the Lord of 4th and 7th Houses and is placed in the 9th House. It is in the Mercury Bhukti when Congress lost power in 4 Indian states. Mercury, though placed well, loses its strength significantly, as it is debilitated in the Navmansa.

Congress(I) Party Formation Date - 2nd January 1978

Congress(I) Party Formation Chart

So, the forthcoming period may not augur well for the Congress party, feels Ganesha. Adding to this, the transiting Saturn and Rahu are passing through the 8th House (the House of adversities) in party's Formation Chart. This will remain a major hurdle for the Party.

Prediction (Astrological Analysis)

Planetary influences during the election period may not bring any relief or great hopes for the ruling Party Congress.

The competition will be extremely tough, and the Congress leadership will face various challenges both within and outside the party.

Congress will be fighting back valiantly to regain lost ground with its voters. However, chances of making desired impact on voters are feeble.

The grand old party is fighting a battle for its political existence, and despite extremely challenging conditions, Congress will still be able to survive in many states, adds Ganesha.

Conclusion

These LS elections will prove to be a litmus test for the Congress party.

There will be constant splits and confusion within the party cadre, and keeping the supports intact will be a nightmare for the leadership.

Voter base of Congress will decrease significantly, suggest the stars.

However, traditional supporters of the party will still remain faithful, and shall help the party to avoid the total erosion.

The analysis of event chart of 7th April 2014 (first polling day's chart) is alarming for the ruling party. The Ascendant Lord Mars is retrograde, and its strength will get reduced considerably on the result day that is 16th May 2014.

Analysis of this chart indicates at least **40% damage to the ruling party Congress' voter base** and the seat count.

If we further apply this to the seat tally, Congress is likely to get LS seats between 105 to 125.

Stars send Success BJP's way in LS Elections 2014! But, it may come at a price, adds Ganesha.

Founded in 1980, the Bharatiya Janata Party is India's second largest political party in terms of representation in Parliament and in the various state Assemblies. The party's roots lie in the Bharatiya Jana Sangh, formed in 1951 by Syama Prasad Mookerjee. For the 1977 general elections, the Jana Sangh merged with several parties to form the Janata Party and defeated the ruling Congress.

But the party was dissolved in 1980, and the core members of the erstwhile Jana Sangh regrouped as the Bharatiya Janata Party. Although initially unsuccessful, winning only two seats in the 1984 general election, the BJP soon grew in strength on the wave of the Ram Janmabhoomi movement, and came to power in several states.

From 1998 to 2004, the BJP-led National Democratic Alliance (NDA), a coalition of several parties, formed the national government. Headed by Prime Minister Atal Bihari Vajpayee, it was the first non-Congress government to last a full term in office. However, it suffered a surprising defeat in the 2004 general elections, but has been the main opposition party in Parliament since then.

The party is currently in power in five Indian states, including Gujarat, whose Chief Minister Narendra Modi is NDA's prime-ministerial candidate for the upcoming 2014 General Elections. Ganesha takes a look at BJP's Party Formation Chart to predict the way ahead.

Party Formation Date - 6th April 1980

BJP's Formation Chart

Stars Speak (Astrological Factors)

The party Formation Chart of BJP suggests that it is currently under the influence of Sun Mahadasha and Rahu Bhukti.

The Sun is the Lord of the 3rd House and is *Digbali* in the 10th House.

Also, the Sun is in exchange with the 10th House's Lord Jupiter in the party Formation Chart. 10th is the House of prestige and political power, as per Astrology. A strong 10th House in BJP's Chart, thus, indicates achievement of goals and imminent success.

From 6th May 2014, the Party will be under the influence of Jupiter Bhukti. The 10th House Lord Jupiter is placed well, and gets powerful by an exchange with Sun.

However, there is a negative aspect that may pose as a hurdle for the party - Jupiter is retrograde and is severely afflicted, which can bring challenges for the party.

Prediction (Astrological Analysis)

In these Elections, the morale of the party leaders and workers from Bhartiya Janata Party will be extraordinarily high. The fiery and

aggressive campaign will have a positive impact on the Indian Voters too.

There will be a swing in the favour of BJP. “Modi factor” would also continue to rule in the 2014 General Elections.

Atal Bihari Vajpayee government had come to power defeating the Congress in 1996, when the transiting Rahu was in Virgo. Now, Rahu is about to enter the Zodiac Sign Virgo yet again on 12th July 2014. This factor is also indicative that BJP may be coming to the power position again.

In its Sun Dasha Jupiter Bhukti too, the party is again nearing the power, adds Ganesha.

Conclusion

BJP will dominate the forthcoming elections, stars suggest. It is likely to emerge as the largest single party in 2014 General Elections.

The analysis of event chart of 7th April 2014 (first day's polling chart) indicates highly favourable conditions for the Bhartiya Janata Party.

The strength of the 7th House Lord Venus in this event chart will increase significantly on the result day. **The current ruling alliance's main opposition party's that is BJP's strength is likely to increase more than 100% as per this chart.**

If we apply this to the seat tally aspect, BJP is likely to get **LS Seats between 200 and 225.**

However, Jupiter, the Lord of the 10th House is in conjunction with Saturn, Rahu and Mars. Due to this, BJP will not be able to form a government without many coalition partners.

A mixed bag awaits AAP in the LS Elections 2014, foretell the stars.

आम आदमी पार्टी
Aam Aadmi Party

A string of corruptions scandals in the central government led to the formation of India Against Corruption, spearheaded by activists like Anna Hazare and Arvind Kejriwal, who had been demanding a Jan Lokpal Bill to root out corruption in the country. The movement attracted unprecedented crowds and support from people all over India who were fed up of corruption in every walk of life.

However, Hazare and Kejriwal soon developed differences over whether to politicise the issue. While Hazare preferred to stay out of the power and government, the firebrand Kejriwal decided to enter politics, trying his bit to root out corruption from inside.

He formally launched his political party named Aam Aadmi Party (AAP) in November 2012. The party's first test came in the 2013 Delhi Assembly Elections, from which it emerged as the second-largest party, winning 28 of the 70 seats. With no party obtaining an overall majority, the AAP formed a minority government with conditional support from the Congress, but quit after just 50 days in government, finding it difficult to govern without a clear majority.

Initially known to probably sit out the 16th Lok Sabha Elections, AAP changed its stance, and came back fiercer. Now they are gunning for the Lok Sabha Elections, with the Party leader Kejriwal deciding to take BJP's Prime Ministerial candidate Narendra Modi head-on in Varanasi constituency. Ganesha feels that the party may harm the interests of both BJP and Congress, but only in certain pockets.

Name of the Party - Aam Admi Party (AAP)

Party's Formation Details - 26th November 2012

Aam Aadmi Party's Formation Chart

Stars Speak (Astrological Factors)

The Party Formation Chart suggests that AAP is passing through the Venus Mahadasha and Venus Bhukti. Venus is strong in the 10th House in the Formation Chart, but is in the star of Rahu.

Also, the transiting Saturn and Rahu are passing through the 10th House in the Formation Chart, which may not augur well for the Party and its prospects during LS Elections 2014.

The forthcoming eclipses in April may also have an adverse impact on the AAP's prospects in the Lok Sabha Elections 2014.

Prediction (Astrological Analysis)

After a stellar performance in the Delhi Assembly Elections, the Aam Aadmi Party is trying hard to take on the bigwigs of other parties in the 2014 General Elections. However, it will be difficult for them to create the desired impact at the national level. Though their numbers are growing, the party's popularity will steadily decline.

AAP's leadership will be left with mixed feelings, stars suggest, as they will be able to win some seats, but some of their prominent leaders may face defeats.

Dissatisfaction with and within the party will rise, and cynicism will increase in the middle and upper classes towards AAP leaders.

However, AAP still looks set to enjoy some support, and will have a significant impact on some LS seats.

Conclusion

After having to quit the Delhi government, the AAP may be down, but not out.

The stars suggest that the Party may eat into the traditional Congress votes, and may also damage the prospects of some of the BJP candidates in the LS Polls 2014.

Stars look set to support TMC in the Elections 2014, says Ganesha.

The All India Trinamool Congress (TMC), the ruling party of the Eastern state of West Bengal, was founded in the year 1998. Led by feisty Chief Minister of West Bengal, *Sushri Mamata Banerjee*, TMC is currently the 6th largest party in the present Lok Sabha with 19 seats. And, the trend may repeat itself one more time in the upcoming Lok Sabha Elections - thanks to TMC's supportive stars, says Ganesha.

In late 2012, the TMC withdrew its support to the UPA's central

government after party leader Banerjee's demands for a rollback of certain reforms were not met. She was against governmental actions like FDI in retail, diesel price-increase and limiting the number of subsidised cooking gas cylinders for households.

She, too, like Shri Nitish Kumar of Bihar, is said to harbour prime ministerial ambitions, but is disgruntled at not getting support for it from any quarter. In fact, she was left red-faced recently when anti-corruption crusader Anna Hazare, banking on whose support she had organised a massive rally in Delhi recently, failed to show up, and the curtains fell for her, so to say, on empty chairs.

Anyhow, it's elections time, and TMC is doing its best to make a mark. Ms. Banerjee recently joined hands with AIADMK leader J Jayalalithaa for the General Elections 2014. Will this move help TMC? Stakes are high this time - will TMC win a good number of Lok Sabha seats?

Ganesha takes the help of Vedic astrology to predict the fate of this party in the forthcoming Lok Sabha polls.

Name of the Candidate/ Party - All India Trinamool Congress (TMC)

Party Formation Details - 1st January 1998

TMC's Party Formation Chart

Stars Speak (Astrological Factors)

The transiting Jupiter is aspecting the Natal Sun and the 9th House of Fortune in the Foundation Chart of TMC. Also, the Chart suggests that TMC is passing through the Rahu-Saturn-Mars Dasha period. Rahu is as it is strong in the 5th House in this party Chart. Saturn is strong in the Navmansa Kundli, and Mars is exalted in the 10th House.

Prediction (Astrological Analysis)

The planetary influences indicate a “sharp polarization” of votes in favour of TMC. It is likely that a large section of voters will be voting for the Trinamool Congress during Lok Sabha Elections - 2014.

TMC, on its part, too will make an attempt to promote fresh blood and improve its overall image in the minds of the state of West Bengal's voters.

The party will gain remarkable support in its efforts, suggest the favourable stars.

All in all, it will not only retain its LS seats, but may also improve its overall tally.

However, the party may suffer some unexpected losses, owing to Rahu's effect. And, it will be unable to expand its base beyond the state of West Bengal.

Conclusion

The stars confirm that Trinamool Congress (TMC) may emerge as one of the biggest regional parties in the 16th Lok Sabha Elections.

Not much starry support for JD (U) in General Elections 2014, says Ganesha.

The 5th largest party in the current Lok Sabha with 20 seats, the Janata Dal (United) has its base mainly in the Indian states of Bihar and Jharkhand. The party, mentored by the veteran socialist leader George Fernandes, was formed by merging the Sharad Yadav faction of the Janata Dal, the Lokshakti Party and the Samata Party in the year 2003.

The JD (U) got its first major victory when it along with its alliance partner, the BJP, defeated the RJD-led UPA government in Bihar in November 2005 in Vidhan Sabha elections. They retained their office in 2010 Vidhan Sabha Elections too. The Bihar government is headed by JD(U) leader Nitish Kumar.

Although he has drawn plaudits for his good governance and development in Bihar, Nitish Kumar, harbouring prime ministerial ambitions, has lately distanced himself from the BJP. Clearly, he resents the fact that Gujarat CM Narendra Modi – and not he – was given precedence when BJP selected its prime ministerial candidate for 2014 LS Elections.

In what may be a big blow to JD (U)'s prospects in the upcoming elections, it had to expel Sabir Ali, its Lok Sabha candidate from Sheohar after he openly praised Narendra Modi, and indirectly blamed his own party for “cheating Muslims in the name of secularism”.

What will ensue now? Will JD (U) embrace BJP if it makes nearer to

the magical figure of 272? Ganesha predicts the performance of this party in the forthcoming Lok Sabha elections.

Name of the Party - Janata Dal (United)

Party Details -30th October 2003

Janata Dal (United)'s Party Formation Chart

Stars Speak (Astrological Factors)

In JD(U)'s Foundation Chart, the Zodiac of Capricorn is rising in the Ascendant.

The Sun, however, is debilitated and afflicted by Ketu in the 10th House. And, currently the transiting Saturn and Rahu are passing through the 10th House over its Natal Sun.

JD(U) is passing through the Venus Mahadasha and Mercury Bhukti. Plus, Mercury, the planet of intellect and communications, is also afflicted in the 10th House.

Predictions (Astrological Analysis)

JD(U) is facing an enormous challenge of repeating its performance of the 2009 Lok Sabha and 2010 Legislative Assembly elections.

The party's biggest challenge this time, what with not so favourable stars, would be to even retain its LS seats. Improving the tally shall

only feature later, feels Ganesha, and that would be even a bigger challenge.

The stars also suggest that there may be constant splits and confusion within the party cadre, and keeping the supports intact will be a nightmare for the leadership.

The party will soon realise its shortcomings, however. Their inability to put the people, the nation above themselves, and inability to form strategic alliances may end up having significant adverse effects on JD (U)'s political prospects and overall progress in LS Elections 2014.

Conclusion

It will be very difficult for JD (U) to retain its LS seats in Bihar. It has a steep mountain to climb this time, feels Ganesha.

Party will be trying hard to woo its voters, but the leadership may fail to inspire confidence within its supporters.

The stars foretell that the party's performance in the forthcoming elections will be very average. The JD (U) at best will play the role of a game spoiler.

A very supportive planetary line-up shall hold AIADMK in good stead in the Elections 2014, says Ganesha.

Name of the Candidate/ Party - All India Anna Dravida Munnetra Kazhagam (AIADMK)

Party Details - 17th October 1972

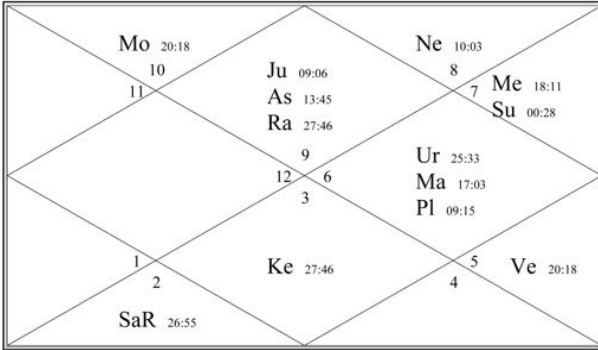

The All India Anna Dravida Munnetra Kazhagam (AIADMK) is the ruling party in Tamil Nadu. The party was founded by MG Ramachandran in 1972 - as a breakaway faction of the Dravida Munnetra Kazhagam (DMK). Since 1989, AIADMK is headed by J Jayalalithaa, the current Chief Minister of the South Indian state of Tamil Nadu.

The party has already won the Tamil Nadu Assembly elections 6 times, and is looking good to go in the upcoming Lok Sabha polls too, especially now that it has entered into an alliance with the ruling Trinamool Congress (TMC) in West Bengal. Both TMC and AIADMK are supporting each other - when TMC pulled back the candidature of Salim Mohammad earlier set to contest from Vellore seat, AIADMK, in response, has decided to support Trinamool's nominee Anita Mondal (from Anadaman and Nicobar seat).

Both the women leaders look set to help each other on to the path of cabinet. Will this allinace further AIADMK's fortunes in the coming elections? Will J Jayalalithaa's rising fortunes help her party? Ganesha takes a look at the party's Formation Chart to predict the

way ahead -

AIADMK's Party Formation Chart

Stars Speak (Astrological Factors)

The transiting Jupiter is aspecting the Natal Jupiter in AIADMK's Chart. Plus, the transiting Jupiter is aspecting the Natal Sun and the 10th House's Lord Mercury. And, as per its formation chart, AIADMK is passing through a strong Jupiter Mahadasha. The Jupiter-Rahu-Mercury period too looks good for the party and its fortunes.

Prediction (Astrological Analysis)

AIADMK seems to have a very well-planned election strategy. Overall, Tamil Nadu's ruling party appears to be leaving behind very little space for the Opposition parties in the forthcoming Lok Sabha elections.

The favourable stars suggest that party will expand its voter-base. It can be expected to do well. Its strong presence in Tamil Nadu and Pondicherry will have a significant impact on the future developments in the Indian politics.

All in all, a good performance from AIADMK is foreseen in the upcoming Lok Sabha polls, says Ganesha.

However, the party will have to be careful in some constituencies, where it may face stiff competition, where it may not be able to get the expected results.

But, the part shall also benefit from its leader J Jayalalithaa's strong stars, and the overall picture may largely be in their favour.

Conclusion

If AIADMK emerges as the solo best performer in its constituencies, it stands to benefit a lot, and may also play a key role in government formation at the centre. Stars also suggest that AIADMK is likely to emerge the biggest player in the state of Tamil Nadu.

Though DMK's tally will reduce, it will remain an important player in TN politics, says Ganesha.

Name of the Candidate/ Party - Dravida Munnetra Kazhagam

Party Formation Details - 17th September 1949

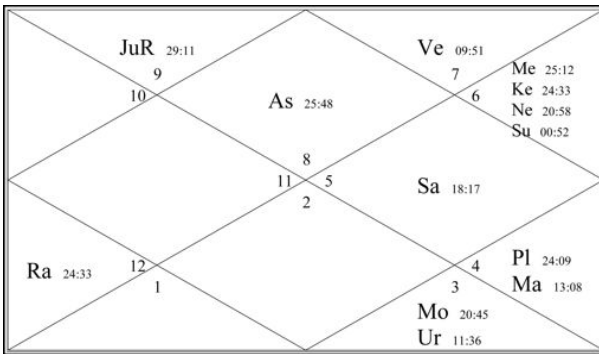

Dravida Munnetra Kazhagam, founded in 1949, is a major political party in Tamil Nadu. It is a Dravidian party founded by CN Annadurai as a breakaway faction from the Dravidar Kazhagam. Since 1969, DMK has been headed by M Karunanidhi, former Chief Minister of Tamil Nadu. DMK holds the distinction of being the first party other

than the Congress, to win state-level elections with a clear majority on its own.

DMK, since its inception, wished to have a separate independent nation for the Dravidians. Annadurai wanted a separate Dravida Nadu, but the DMK changed its stance with the Chinese invasion in 1962, and suspended its demand and supported India for raising funds for the war. When the war ended, nationalistic feelings were so strong that DMK gave up the separate Dravida nation idea.

In the forthcoming LS elections, Ganesha predicts that though DMK's tally may reduce, the party will still continue to remain a major force in the state.

DMK's Party Formation Chart

Stars Speak (Astrological Factors)

The transiting Saturn and Rahu are passing through the 12th House over the Natal Venus in DMK's Formation Chart, which may not augur well for the DMK in the forthcoming LS elections.

Also, DMK is under the influence of the Venus Mahadasha and Mars Bhukti. Venus, the 12th House Lord is strong in the 12th House in the star of Rahu, and the Ascendant Lord Mars is debilitated. Both these factors indicate a difficult phase ahead for the DMK.

Prediction (Astrological Analysis)

DMK will face a tough contest, and it will be very difficult for its leaders to restore faith for the party among the Tamil Nadu voters, suggest the stars.

The party will fail to find a positive momentum in 2014 Elections, and a down-slide in its fortunes is foreseen.

Multi-party contests too may cause problems, and dent the Party's prospects.

As a result, their seats in Lok Sabha may decrease. However, their traditional voters will remain faithful to the party, which will help them win a decent number of seats in Tamil Nadu.

Conclusion

DMK's LS seat tally may reduce, but its erosion is not foreseen.

Despite tough situations, DMK may be able to win a decent number of seats, and will remain an important player in the Tamil Nadu politics.

Star to support Shiv Sena in General Elections 2014, asserts Ganesha.

Founded in 1966 by the then political cartoonist Bal Thackeray, the Shiv Sena is a political party based out of Mumbai, and, despite its attempts to be recognised as a pan-India party, its image is still that of a chauvinistic and a Hindu nationalist political outfit.

Back in the 60s, the party's main agenda was to get preferential treatment for Maharashtrians over the migrants to India's business capital of then Bombay. The party continued with its agenda even in the early 2000s, and the extermination of the Bihari citizens from Mumbai featured high on their list.

The party has a strong hold over the Bollywood film industry, and is presently headed by Bal Thackeray's son, Uddhav Thackeray. There was a time when Bal Thackeray's word was law in Mumbai, but since his demise in 2012, the party has lost much of its sheen.

The Shiv Sena-BJP combined together and ruled the state of Maharashtra from 1995 to 1999, after which its influence has been steadily diminishing.

Mumbai and the Konkan coastal areas have been Shiv Sena's traditional strongholds, but in the 2004 Lok Sabha elections the equation was reversed, with the party making inroads in the interior parts of the state, while suffering losses in Mumbai.

Ganesha predicts the party's fortunes in the upcoming 2014 Lok Sabha elections.

Name of the Party - Shiv Sena

Party Details - 19th June 1966

Shiv Sena's Party Formation Chart

Stars Speak (Astrological Factors)

The transiting Jupiter is moving over the Natal Sun and Jupiter in Shiva Sena's Formation Chart, which looks excellent for the party Shiv Sena.

The Party is also under the strong Mahadasha period of Saturn-Jupiter – an aspect that favours political endeavours.

Prediction (Astrological Analysis)

Shiv Sena is likely to make inroads into many of the constituencies that are considered as the strongholds of the ruling alliance in Maharashtra.

The popularity of the Shiv Sena party will increase in these elections. Party's traditional voter base will also remain intact, suggest the stars.

Also, thanks to the strong planetary support, the party will gain good support in 2014 Elections. It will not only retain its LS seats, but may also improve its overall tally.

However, Shiv Sena may face stiff competition in some constituencies, and some interesting fights between the ruling party and Shiv Sena will bring surprising results.

Conclusion

Shiv Sena will get people's support, and it will help NDA to improve its tally in General Elections – 2014, feels Ganesha.

Planetary Support shall help Shiromani Akali Dal improve its seats tally in 2014 LS Elections....

Shiromani Akali Dal

The Shiromani Akali Dal is a Sikh-group led national political party led by Sukhbir Singh Badal. The party controls the Sikh religious bodies Shiromani Gurudwara Prabandhak Committee, Delhi Sikh Gurdwara Management Committee, and is the largest and the most influential Sikh political party worldwide.

The party believes that religion and politics go hand in hand, and its main agenda has been is giving voice to the Sikh issues.

The current Punjab government is formed by Akali Dal in partnership with its ally BJP. It has 56 members in the Punjab Assembly, and along with 12 of BJP, it forms a majority government. Party patron and ex-president Parkash Singh Badal is the Chief Minister of the

North Indian state of Punjab and the party's president Sukhbir Singh Badal is the Deputy-Chief Minister.

Shiromani Akali Dal's Party Formation Chart

Shiromani Akali Dal party has 4 members in the present Lok Sabha. Its main political opponent is the Congress party. Ganesha, however, feels that this party will improve on its tally in the General Elections 2014. How and why? Read on!

Stars Speak (Astrological Factors)

The Shiromani Akali Dal Party is currently under the influence of Venus Mahadasha and Venus Bhukti, as per its Formation Chart.

The Yogakaraka Venus is placed with the strong 10th House Lord Mars. Also, the transiting Jupiter is passing through the 5th House of the party's Formation Chart. However, the transiting Saturn and Rahu are moving over party's Natal Rahu in the 10th House over its Natal Moon – which may be slightly detrimental for the party fortunes.

Prediction (Astrological Analysis)

Akali Dal will have a strong influence in the state of Punjab, during the forthcoming elections. Strong support from the voters of Punjab will make Akali Dal a force to reckon with.

However, it will not be so easy for the party to make inroads into the Congress vote-base in the state of Punjab. There will be stiff

competition and resistance and therefore, the party may fall short in some important constituencies. Overall, multi-party contests on some seats are expected to dent the prospects of SAD.

Conclusion

Shiromani Akali Dal will manage to retain its Lok Sabha seats, and may even improve its tally to some extent. However, a clean sweep is not foreseen, says Ganesha.

Not much 'starry support' for Samajwadi Party in 2014 LS Elections, says Ganesha.

The Samajwadi Party, on its official website, purports to “create a socialist society, which works on the principle of equality...and has a secular and democratic outlook. The SP believes in working towards the upliftment of weaker sections of society and stands against communal forces”.

The party was founded in 1992, is based in Uttar Pradesh and is led by Mulayam Singh Yadav, the former Chief Minister of Uttar Pradesh and erstwhile defence minister of India.

Samajwadi Party's Formation Chart

The Samajwadi Party's support comes mainly from the Other Backward Castes (OBCs), and more particularly Mulayam Singh Yadav's own Yadav caste. In the Lok Sabha, SP currently has 22 members, a number that makes it the third largest party.

However, with the Supreme Court pulling up Samajwadi Party and the UP CM, Akhilesh Yadav recently for showing laxity in the Muzaffarnagar communal riots, the party was forced on the back-foot at this crucial juncture in the run-up to the Lok Sabha polls.

Opposition parties are baying for the ouster of Chief Minister Akhilesh Yadav, Mulayam's son. At stake is their crucial Muslim vote bank in western UP. Ganesha takes a close look at the party's prospects in the upcoming polls.

Name of the Party : Samajwadi Party

Party Details : October 4th, 1992

Stars Speak (Astrological Factors)

In the Formation Chart of the Samajwadi Party, the transiting Saturn and Rahu are moving over the 10th House Lord Mercury and Saturn.

The Party is passing through the Mars Mahadasha and Saturn Bhukti.

Also, Mars in the Kundli is afflicted by Ketu in the 7th House, and Saturn is retrograde in the 2nd House.

The transiting Jupiter is moving over the Natal Mars and Ketu in SP's Formation Chart.

Prediction (Astrological Analysis)

The planets and the Kundli suggest that the Samajwadi Party will try to put its best foot forward, but the differences within the party will be quite evident during 2014 Indian General Elections.

Somehow SP's political image will not encourage voters to vote in their favour and, thus, they will fall short, says Ganesha.

The leaders of the party SP would desperately want to get power this time. But, even the traditional SP voters may not support them so well. This factor can prove a big hurdle for the Samajwadi Party.

All in all, it looks likely that SP will be struggling to keep its vote bank intact. Its leaders on whom the party may have been banking will become more and more restless and disoriented with the party - in the run up to these elections.

Conclusion

Samajwadi Party's performance will remain quite average in LS Elections 2014, and it will be difficult for the party to even retain its LS seats.

However, it will continue to remain an important player in its own base that is Uttar Pradesh politics.

BSP to hurt the prospects of both the Congress and the BJP in Polls 2014.

Drawing inspiration from Dr. BR Ambedkar, the Bahujan Samaj Party (BSP), a national level political party, was formed by the Dalit leader Kanshi Ram in 1984, whom Mayawati succeeded in 2003. The purpose for forming the party was to protect the interests of 'Bahujans', a term which refers to people from the Scheduled Castes, Scheduled Tribes and Other Backward Castes (OBC) as well as religious minorities such as Sikhs, Muslims, Christians, Parsis and Buddhists. Even though the party was formed with the basic philosophy that the minority classes' citizens should get their full rights, today it propagates the agenda of a casteless India, equality and equal rights for all and social transformation.

Bahujan Samaj Party's Formation Chart

The Elephant is the political symbol of BSP that has its primary base in the Indian state of Uttar Pradesh. In the current Lok Sabha, the

party has 21 members, which makes it the 4th-largest party. Will the Mayawati led BSP perform well or even better in the 16th Lok Sabha Elections? Well, only stars can tell! Ganesha takes a look at the party's Formation Chart to predict the way ahead.

Name of the Party - Bahujan Samaj Party (BSP)

Party Formation Details - April 14, 1984

Stars Speak (Astrological Factors)

BSP's Formation Chart suggests that it will be passing through a Dasha of Rahu-Venus-Rahu during the forthcoming elections.

Rahu, as it is, is quite strong in the 11th House in the party Formation Chart and Venus is exalted in the 9th House. Thus, this Dasha period looks extremely powerful for BSP.

The transiting Jupiter is aspecting the Natal Jupiter which is again a favourable factor for the party.

However, the transiting Saturn and Rahu are moving over the Natal Saturn in BSP's Formation Chart, which may not augur well for the BSP.

Prediction (Astrological Analysis)

With the established image of a firm and efficient administrator, Mayawati can be a strong answer-back to the ruling SP and a strong "Modi wave" in the state of Uttar Pradesh.

Stars suggest that the party's committed vote base will continue its strong support to the Party in these elections too. However, BSP will face a neck to neck battle with the Bhartiya Janata Party.

On the whole, though, the votes will increase significantly in favour of the BSP. Thanks to its strong position, thus, BSP will play a defining role in 16th Lok Sabha.

Conclusion

BSP may eat into the traditional Congress votes, and simultaneously may also damage the prospects of some BJP candidates.

Name of the Candidate/ Party - BIJU JANATA DAL

Party Formation Details - December 26, 1997

The Biju Janata Dal (BJD) is the ruling party in the state of Odisha and it is led by Odisha Chief Minister Naveen Patnaik, who has built a reputation for clean governance. He is the son of former Chief Minister Biju Patnaik.

The BJD was founded in 1997. Naveen Patnaik took over his father Biju Patnaik's Lok Sabha seat in 1996 as a member of the Janata Dal. In 1997, Patnaik split from Janata Dal over its failure to ally with the BJP, and formed the BJD later in the year.

The BJD has participated in several ruling coalitions with the Bharatiya Janata Party (BJP) both at the Centre and in Odisha, although it stood out as one of the more secular parties of the coalition of NDA. The party won a majority of seats in the state legislative assembly in the 2000 and 2004 elections in alliance with BJP. It won 11 Lok Sabha seats in the 2004 elections.

However the BJD split with the BJP for both the Lok Sabha and Assembly elections 2009 because of differences in seat sharing. At present, it is a part of the Third Front. Ganesha feels its performance in the forthcoming polls will be average but nothing spectacular.

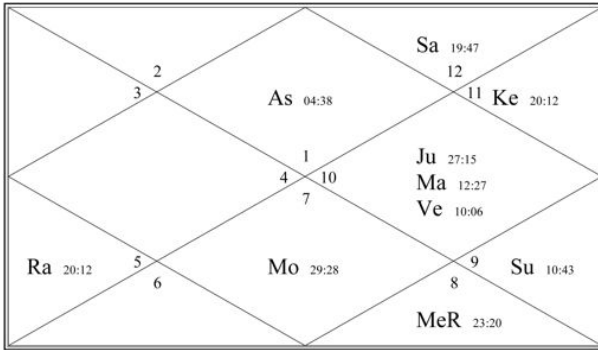

Stars Speak (Astrological Factors)

The transiting Jupiter is not only aspecting the 9th House (the House of fortune) in BJD's Chart, but also is aspecting the Sun posited therein. The Natal Moon trines the transiting Jupiter, which is also an

excellent indication for the party.

BJD is passing through the Saturn-Moon period, which, however, is not so favourable. Also, the transiting Saturn and Rahu moving over the party's Natal Moon indicate challenges.

BIJU Janata Dal Party Formation Chart

Prediction (Astrological Analysis)

BJD's political image will encourage its traditional voters to vote in its favour, and thus the party is likely to do well in the forthcoming elections. Party will be trying hard to woo the voters, and the able leadership will be able to inspire confidence within its supporters.

However, it will not be that easy for the party to expand its voter base. Party's performance in the forthcoming elections will be satisfactory, though, contends Ganesha.

Conclusion

BJD will be able to retain most of its LS seats in the forthcoming elections. But, it will be difficult for the party to improve its overall tally.

Bouquets or Brickbats? Ganesha measures the fortunes of the TDP in Elections 2014.

The Telugu Desham Party has been a dominant political party of Andhra Pradesh, and was founded by the iconic and charismatic film star NT Rama Rao, who served as Chief Minister of the state for three terms. The party is now headed by Chandrababu Naidu, the current Opposition party in the state. The party swept to power within nine months of its formation in the 1983 Assembly elections, thereby forming the first non-Congress government in Andhra Pradesh. It also achieved the rare distinction of being the first regional party to become the main opposition party (33 MPs in Parliament compared to 2 MPs of BJP in the elections after the assassination of Indira Gandhi) in the Union Government during the 8th Lok Sabha from 1984 to 1989. The Telugu Desham party was formed to uphold the rights of the downtrodden and poor people of the state, symbolised by the hut, the wheel and the plough in its flag. Here Ganesha takes a look at its prospects in the forthcoming Lok Sabha elections.

Name of the Party - TELUGU DESHAM PARTY

Party Details - 29th March 1982

Stars Speak (Astrological Factors)

The transiting Jupiter is passing through the Ascendant in TDP's Foundation Chart. The moving Jupiter is also aspecting the 10th House Lord Jupiter in the Foundation Chart, which looks set to be a good aspect for the Telugu Desham Party. However, the transiting

Saturn and Rahu are moving over the Natal Jupiter in TDP's Foundation Chart. This starry aspect may pose a major road-block for the Party.

Also, TDP is passing through the Rahu Mahadasha and Venus Bhukti, which may not help the Telugu Desham Party much in its quest for victory in 2014 Elections.

Telugu Desham Party's Formation Chart

Prediction (Astrological Analysis)

TDP will be one of the prominent players in the Andhra Pradesh politics, and is sure to pull the rug from under Congress's feet in LS Elections 2014.

The Party, on its own, too will try hard to make its presence felt in the elections, asserts Ganesha. But, overall the things may not be as smooth as the Party's leaders would hope or like to believe. There will be stiff competition and resistance, and therefore, the TDP may fall short in some of the important constituencies.

Multi-party contest on some seats is expected to dent the overall prospects of TDP. However, the Party will be able to make inroads into the Congress bastion, suggest the stars.

Conclusion

The overall planetary picture suggests that the TDP will remain a very significant force in the state, during the forthcoming elections. The party will be able to improve its performance. However, the results will not match its expectations.

Splendid planetary support in YSRC's favour shall put the party in a strong position, says Ganesha.

YSR Congress Party is a regional political party in the Southern Indian state of Andhra Pradesh. It was established by Siva Kumar in 2009, and then taken over by YS Jaganmohan Reddy, the son of the former Andhra Pradesh Chief Minister YS Rajasekhara Reddy (popularly known as YSR) in the year 2011.

Both YSR and Jaganmohan Reddy had been the members of the Congress. After the death of YSR in a helicopter crash in September 2009, his son Jaganmohan Reddy, the MP from Kadapa, started a condolence tour across Andhra Pradesh, purportedly to console the families of those who had committed suicide or 'died of shock' after his father's death. This venture was not supported by the Congress, whose president Sonia Gandhi opposed the move citing the rising volatile situation in the state regarding the Telangana issue.

YSRC's Party Formation Chart

In 2012, the YSR Congress won 15 out of 18 Assembly seats in Andhra Pradesh elections. The party leader Jaganmohan Reddy has been in news for numerous reasons. After his breakup with the Congress party and since May 2012, Jagan has been in prison, facing charges of accumulating enormous assets through political favours. A series of bail applications were rejected by various courts, citing the serious nature of the offence, and the amount that Jagan has allegedly accumulated is estimated to be around Rs.3000 crores. However, YSR Congress and other opposition parties claimed that this was a classic case of political victimisation and vendetta. Jagan was recently granted conditional bail on 23rd September 2013.

Will this affect the party's performance in the LS Elections 2014? Ganesha feels that the performance YSRC in the forthcoming 2014 Lok Sabha elections will have a decisionary impact on its overall future. Ganesha takes a look at the party Formation Chart to say more.

Name of the Candidate - YSRC

Party Details - 12th March 2011

Stars Speak (Astrological Factors)

The YSR Congress is currently under the influence of Moon

Mahadasha and Sun Bhukti. In the party's Formation Chart, the Moon is exalted in the Ascendant, and the Sun is placed in the 10th House – both the factors are quite favourable.

So, the period looks very promising for the Party. YSRC and Jaganmohan Reddy.

Adding to this, the transiting Jupiter is aspecting the Natal Sun and Mars in YSRC's Formation Chart, which will also act in its favour.

Prediction (Astrological Analysis)

The stars suggest that the YSRC Party will carry forward the legacy of YS Rajasekhara Reddy in Andhra politics. It will become popular among a large section of the rural electorate, and shall manage to also increase its base among the urban voters.

The party will remain the most popular choice of people in the LS Elections 2014. An outstanding performance by the YSR Congress led by Jagan Mohan Reddy is foreseen, says Ganesha.

Conclusion

The YSRC is likely to be a big winner in forthcoming Lok Sabha Elections.

It is also foreseen that the YSRC may play a very important role in the formation of the next government, after the completion of the General Elections 2014, says Ganesha.

MAJOR POLITICAL LEADERS

A strong planetary support shall help Mr. Modi silence his detractors in 2014 LS Elections, says Ganesha.

Hate him or love him, but you can't ignore him! Narendra Modi, the feisty reigning Chief Minister of Gujarat and now the Prime Ministerial candidate of BJP in the 2014 General Elections, makes his presence felt wherever he goes, wherever he speaks and how! Mr. Modi, who has turned all the adversities into opportunities, has not let his opponents and critics have their way till date. He knows how to raise issues, how to address people, and most importantly, he knows what to talk about. There is no denying that his speeches make a lasting impression.

However, controversies have never left him alone. Even as the 2014 LS polls loom large, the ghosts of the Godhra riots of 2002 still continue to haunt him, with an additional pressure of numerous allegations hurled at him and his 'development' agenda by an equally, if not more, feisty AAP supremo Arvind Kejriwal - who also happens to be his opponent at the Varanasi seat.

Needless to say that Gujarat's longest-serving CM has seen and handled it all even earlier - with a stoic calm and his fierce oratory ability. And, it's undeniable that when it comes to the popularity of

any one candidate in 2014 Elections, Mr. Narendra Modi seems to be ruling the roost.

Will Mr. Modi manage to suitably impress India's awakened masses? Will his party, the Bhartiya Janata Party, manage to make it to the centre, riding on his mass appeal? Well stars can tell! Ganesha takes a look at Modi's Birth Chart to predict his fate in the General Elections 2014.

Name of the Candidate : Narendrabhai Damodardas Modi

Party : Bharatiya Janata Party

Constituency, City, State : Varanasi, Uttar Pradesh And Baroda, Gujarat

Narendrabhai Damodardas Modi

Date of Birth : 17th September 1950,

Time of Birth : 10:00:00, **Place of Birth :** Vadnagar, Gujarat

Narendra Modi's Birth Chart

Stars Speak (Astrological Factors)

Mr. Modi is presently under the influence of Moon and Rahu dasha sequences. His Natal Moon rules the 10th House of success in politics and his natal Rahu signifies the 6th House of success in

competition.

Jupiter, being the Lord of the 6th House in his Birth Chart is presently transiting through his 9th House of fortune. His yogakaraka planet Saturn is transiting with its friendly planet of Rahu through Modi's Ascendant House.

Prediction (Astrological Analysis)

All the aforementioned planetary forces indicate a highly favourable time for Mr. Modi, as far as these Lok Sabha Elections are concerned.

Modi is definitely going to spread attractive vibes by his speech and eloquence. His methodical approach and ability to appease voters will be clearly seen in 2014 Elections.

In short, the impact of Modi wave will bring a remarkable victory in Gujarat.

However, he is likely to face a stiff competition in Varanasi, and even if he wins, the margin of votes will not be very high. Yet, the MODified impact will bring a significant victory for him in Varanasi as well as Baroda – both the seats he is contesting elections from.

Conclusion

Summarily, as far as Lok Sabha Elections 2014 are concerned, the desired success for Mr. Modi is expected both from the Baroda seat and Varanasi.

Stars may keep RaGa confused and uninspiring...

Cosmos may fade RaGa's popularity to a great extent during the 2014 LS Elections, feels Ganesha.

However, despite his fading popularity and feeble chances of becoming the Prime Minister of India, Rahul Gandhi will continue to grow in stature in the Indian political scene, assert the stars.

Rahul Gandhi's Birth Chart

The glaring point in our political scene today is that a party, which dominated the Indian politics since independence, producing one

charismatic leader after another, now appears to be teetering on the brink. Will Rahul Gandhi manage to step in and salvage the party from total ruin by winning the 2014 Lok Sabha Elections?

The stars say, not really!

Rahul Gandhi is currently under the influence of Mars Mahadasha and Jupiter Bhukti. Mars is placed in the star of Rahu and Jupiter is retrograde in the Ascendant. Jupiter owns the 6th house (house of enemy) in his chart and this planetary aspect would be a major roadblock for him. So, the General elections shall turn out to be a big electoral test for RaGa.

The transiting Saturn and Rahu are moving over the retrograde Jupiter. So, Rahul's role in the selection of candidates for the polls may cause turmoil within the Indian National Congress. Also, Rahul's political strategy and skills shall not enthuse the voters and his party members much.

As the transiting Jupiter is moving over Rahul's natal Sun and Mars, the traditional voters of Congress – the party loyalists - will look at him to guide them and govern at the national level, but he will be unable to fulfill their expectations. He will remain concerned and doubtful about himself or the system, and as a result he will not be able to express himself freely. However, this should not spell the end for Rahul and Gandhis in Amethi. The transiting Jupiter is moving over the natal Sun and Mars in Rahul's chart, which is a favourable aspect.

All in all, although the chances of Rahul becoming the Prime Minister of India are very feeble, he still stands a chance to keep his traditional voters intact. Despite his failures, he may continue to play key role within the Congress and also in Indian politics in years to come.

Will Bihar CM be able to win hearts, minds of formidable enemies? Ganesha probes.

Though Bihar Chief Minister's first term lasted for a brief period in 2000, Nitish Kumar managed to retain the CM's seat for the two consecutive terms - from 24 Nov 2005 to 24 Nov 2010 and from 26 Nov to present. In his overall tenure, he has been credited for improving infrastructure, reducing crime and launching E-shakti NREGS program in the state.

After obtaining a degree in Mechanical Engineering from Bihar College of Engineering, Patna, he worked as an employee with the Bihar State Electricity Board. But later, he decided to enter the mainstream politics.

Belonging to the socialist class of politicians, Kumar, a Janata Dal (United) party leader, had the opportunity to become a Union Minister earlier. He worked under the leadership of political heavyweights like Jayaprakash Narayan, Ram Manohar Lohia, VP Singh and George Fernandes. From 1974 to 1977, Kumar was an active participant in Jayaprakash Narayan's movement, and stood from Harnaut in 1980 state polls.

Elected to the Bihar Legislative Assembly as an independent candidate in 1985, Kumar became Yuva Lok Dal president in 1987, Janata Dal Secretary-General and formed ties with Samata Party. An uncontested candidate from any seat in 2014 Lok Sabha polls, Kumar hopes to grab a large pound of flesh in the electoral battle by fielding his strongmen in the ring. He is currently miffed with BJP, his one time ally, owing to their strong Modi-orientedness.

Is there any possibility for Nitish Kumar to emerge as the victor and eye for Delhi? Let's read what Ganesha has in store for him.

Nitish Kumar

Date of Birth - March 01, 1951, **Time of Birth:** 13:20:00,

Place of Birth: Bakhtiarpur

Nitish Kumar's Natal Chart

Stars Speak (Astrological Factors)

Nitish Kumar has a strong Natal Chart, and it has an exchange between the 9th House ruler Saturn and 4th House Lord Mercury. Adding to this, the exalted Venus is placed in the 10th House in his Natal Chart.

Currently, Kumar is passing through the Rahu Mahdasha and Rahu Bhukti. Rahu is placed with the 10th House ruler Jupiter as well the

Sun in his Birth Chart. This is not a very positive sign. His Chart, thus, has afflictions, which may cause him various problems.

Adding to this, the transiting Saturn and Rahu are passing through his Horoscope's 12th House from Moon, which may cause serious problems for Kumar.

Prediction (Astrological Analysis)

The Bihar CM's political graph will see a sudden drop in the run-up to the Lok Sabha polls. The voices of dissent from within his [JD (U)] party will get louder, and this could lead to a major challenge in his political career.

This being the toughest electoral battle of his career, LS Elections 2014 may side track him to quite an extent. He will be looking more isolated than ever. He will have to tackle the constant splits and confusions within the party cadre, and keeping the support intact will be his biggest nightmare.

Despite having strong Chief Minister credentials, Nitish Kumar will be unable to inspire confidence within his supporters and voters from even the state of Bihar.

Conclusion

Kumar has an uphill task ahead of him during Elections 2014. It will be quite difficult for him to retain his party's LS seats in Bihar.

He may be down, but not out, though.

Jayalalithaa likely to play a decisive role in the upcoming Lok Sabha Elections.

Jayalalithaa, the reigning Chief Minister of the South Indian state of Tamil Nadu, currently has the stars in her favour, says GaneshaSpeaks.com. Thanks to the mighty planet Jupiter, she looks set to enjoy a favourable turn of events during the forthcoming General Elections.

Jayalalitha is one of the few female politicians in India who has been at the top, seen it all and defied many odds - in a heavily male dominated arena. Fondly called as Amma by her supporters and followers, Jayalalitha has a huge following.

Woman power!

Stars speak- Looking at her Birth Chart, Ganesha observes that Jupiter is the Lord of the 10th House in Jayalalithaa's Birth Chart. Plus, she is currently passing through the Jupiter Mahadasha and Jupiter Bhukti. And, Ganesha further notes that Jupiter is placed in the 7th House in its own Sign in Amma's Horoscope.

Jayalalithaa

What does it mean?

The strong Jupiter period in Jayalalitha's Chart indicates that she is going to play a very important role not only during the forthcoming Lok Sabha Elections, but also in the formation of the new government, after the final results of the General Elections, asserts GaneshaSpeaks.com's senior Astrologer Mr. Tanmay K Thakar.

Jayalalithaa's performance as a leader

A popular actress in Southern India during 1960s and '70s, Jayalalitha entered politics in 1982 to join AIADMK. Once she did her ground-work, she touched super-stardom even in the politics. She served as the C.M. of Tamil Nadu from 1991 to 1996, yet again in 2001, despite falling from the grace, and once again from 2002 to 2006.

Stars speak - A further detailed reading of her Horoscope and the transiting planets indicates that the transiting Jupiter is passing through Jayalalitha's Ascendant and is aspecting her Natal Jupiter (as placed in her Horoscope).

What does it indicate?

She can easily be a prominent player in the upcoming Elections. She will be well-poised and walking into the battlefield with high confidence. Her populist schemes will touch a chord among the

voters and her importance and prominence will be felt not only in the state politics, but also in national politics.

Summarily, Ganesha says that Jayalalithas's charismatic personality and strong leadership quality will help AIADMK to win significantly in 2014 Lok Sabha Elections.

A mixed bag of stars awaits the Shiv Sena chief Udhav Thackeray during 2014 LS Elections, says Ganesha.

Udhav Thackeray, son of the founder of Shiv Sena, Bal Thackeray, took over the reins of the party in 2004, and since then has been taking active interest in politics and campaigning during elections. Before that, after the Shiv Sena won the Mumbai corporation elections in 2002, Udhav was made the party's working president. Differences soon arose between him and his brother Raj Thackeray, who split from the Shiv Sena and formed his own party called the

Maharashtra Navnirman Sena in 2006. Having successfully undergone an angioplasty in 2012, the 53-year-old Uddhav has had some problems leading the Sena, having to tackle a mini-exodus from the party with three sitting Sena MPs from Shirdi, Parbhani and Maval having quit in the last one month. Though Uddhav is himself not contesting, Ganesha takes a sneak peek at whether he will be able to lead the party back to its glory days in the forthcoming Lok Sabha elections.

Name of the Candidate : Udhav Thackrey

Party : Shiv Sena

Person's Birth Details : Birth-date - 27 July 1960; Time of Birth - Unknown; Place of Birth - Mumbai

Constituency, City, State : NA

Election Date : NA

Udhav Thackrey's Surya Kundli

Stars Speak (Astrological Factors)

Ganesha observes Mr. Udhav Thackrey's Surya Kundli, and notes that his Natal Jupiter rules the 6th House and the 9th House. And, Jupiter will be passing over his Natal Mercury through the 12th House.

His Natal Jupiter and Mercury both are retrograde. Plus, the benefic Sun will also be transiting through the 10th House in Thackrey's Chart during the Elections 2014.

Prediction (Astrological Analysis)

Communication is Mercury's main domain. As Udhav's Natal Mercury is retrograde, and will be influenced by the transiting Jupiter, he is likely to create a greater impact through his speech.

However, his words or messages would be liable to be misinterpreted, and may also create a controversy, due to the retrogression of the Natal Mercury in his Chart.

As the Chief of Shiv Sena, Udhav will create a greater impact on his party leaders and candidates during these Lok Sabha Elections.

Udhav Thackrey may also take up some sensitive issues among party followers that will enhance his public image in the masses.

However, he may not be able to maintain parity among his volunteers / followers in a few territories.

Conclusion

Summarily, Ganesha feels that Udhav Thackrey's energy and enthusiasm will remain noticeable during the 2014 Elections campaign.

Also, under his able leadership, Shiv Sena will be able to improve its tally in 2014 Lok Sabha Elections.

M. Karunanidhi needs to focus on ground realities during 2014 Elections, says Ganesha.

Name of the Candidate - M. Karunanidhi

Party - DMK

Status - Not Contesting

Holding a record of winning his seat in every election he has contested, Muthuvel Karunanidhi has served as the Chief Minister of Tamil Nadu five times in a successful political career spanning six decades. He took over the reigns of the Dravida Munnetra Kazhagam (DMK) after the death of the party founder CN Annadurai in the year 1969.

In the 2004 Lok Sabha elections, Karunanidhi led a coalition of the DMK, UPA and Left Parties in Tamil Nadu and Puducherry to win all 40 seats. In the following 2009 Lok Sabha elections, even with a smaller coalition, he won 28 seats.

He is also a playwright and screenwriter in Tamil cinema. The indefatigable politician practises yoga regularly, which according to him is the secret of his energy and success. In 2012, he changed his

attire from white to black shirt to protest against the AIADMK government.

For 2014 Elections, although the grand old man is not contesting for a Lok Sabha seat, Ganesha still advises him to stay grounded.

M. Karunanidhi's Birth Chart

Stars Speak (Astrological Factors)

Ganesha observes that three planets – exalted Moon, exalted Mars and exalted Saturn – are imparting strength to M Karunanidhi's Surya Kundali.

Saturn in Libra makes him an able diplomat and politician.

According to Ganesha, Mars makes him aggressive and ambitious, whereas Moon helps him be mentally strong.

Prediction (Astrological Analysis)

Talking about the transiting planets, Ganesha says that Saturn-Rahu will soon transit over his Natal Saturn, which is retrograde - this is not a favourable planetary movement.

Ganesha also notes that Jupiter will be transiting over Karunanidhi's Natal Venus. The planetary alignment in M Karunanidhi's Surya

Kundali indicates that he will be able to impress others with his eloquence.

His speeches and opinions during the election campaign will prove to be of high importance. This, according to Ganesha, will be an effect of Jupiter's transit over Venus.

However, the transiting planets will disturb his Natal Saturn, and as a result, he will tend to have illusory ideas. On many occasions, he will fail to see the reality as it is, and may end up inviting challenges.

He will have to focus on reality, if he wants to achieve desired results in these elections. The planetary alignments suggest that M Karunanidhi needs to take care of his fitness, as there is a strong possibility of him suffering from health issues.

Conclusion

M. Karunanidhi will have to take each step very carefully, and ensure that he does not ignore ground realities, says Ganesha.

In a broad perspective, Ganesha says that Karunanidhi's Natal Saturn will make him a clever politician in the days to come.

Wrong decisions likely to adversely affect Prakash Singh Badal's party's fate in 2014 General Elections.

Name of the Candidate/ Party – Prakash Singh Badal/ SAD

Candidate's Birth Details – December 8, 1927

Not contesting on any seat

Polling date – 30th April, 2014

At the age of 86, Punjab Chief Minister Parkash Singh Badal is sparing no efforts for the opposition to criticize. The four-time CM has handed over the Shiromani Akali Dal (SAD) reins to his son Sukhbir Singh Badal.

Born in Abul Khurana, near Muktsar district, the octogenarian belongs to Jat family of Dhillon clan. He has a strong influence on both the Shiromani Gurdwara Parbandhak Committee and Delhi Sikh Gurdwara Management Committee. Punjab remains to be the first state in the country where there is no impact of any Modi wave. The SAD-BJP alliance appears to be growing stronger with each passing day and is expected to increase its current tally.

Way back in 1947, he began his political career and for the first time

in 1957, was elected to the Punjab Vidhan Sabha. His track record shows that he has been elected for 10 times to the Vidhan Sabha. No speculations as the political heat in this LS polls is building up? Will SAD-BJP alliance sweep many seats? Find out here --

Kundli

Stars Speak (Astrological Factors)

In Badal's Kundli, Mercury, Mars, Saturn, Sun and Ketu are placed together, and as a result, they provide strength to one another. This sort of the planetary formation is also called Pravajya Yog. A person born with this Yog earns a name for himself but with a lot of struggle and want to do something in life.

Prediction (Astrological Analysis)

Five planets are in Scorpio and Mars is also Swargruhi in the octogenarian Kundali. According to Ganesha, the planetary forces do not only make him aggressive and energetic but make him strong and courageous. Talking about the transiting planets in Badal's Surya Kundali, Ganesha says Saturn and Rahu are transiting through the House of Losses, and hence he will have to work hard to achieve expected results.

Confusions may creep in, time and again, and the lack of support from Jupiter may worsen things. Fortunately, his Natal planets - Swargruhi Mars, Swargruhi Jupiter, Swargruhi Venus and exalted Moon

- are giving some strength to his Surya Kundali. He needs to consider all the pros and cons before deciding candidates for his party in the upcoming Lok Sabha Elections. He must ensure the candidates are sincere and hardworking.

Conclusion

There is a strong possibility that Parkash Singh Badal will mistakenly choose wrong people to contest the General Elections 2014, suggest the stars.

The effect of the Scorpio Sign will be profound during the period of elections on Badal, owing to which Ganesha feels that Prakash Singh Badal needs to avoid being adamant. It is advisable that he remains flexible.

It's a tough battle out there for Mulayam Singh Yadav, says Ganesha.

Greatly influenced by the socialist Ram Manohar Lohia and his struggle to bring social upliftment, Mulayam Singh Yadav joined politics in 1960. Netaji, as he is fondly called by his party workers and

supporters, is a post graduate in Arts from Agra University. A veteran political and socialist, Mulayam Singh has faught a number of elections, at the state level and the national level, and have won quite many of them.

The Samajwadi Party leader has held the Chief Minister Office of Uttar Pradesh thrice, and has also served as the Union Defence Minister (1996-98).

Recently, Mulayam Singh and his party came under heavy criticism for not doing their best to stop Muzzafarnagar riots. They were also criticised for their relief and restoration efforts. Will this public resent against his Party affect Mulayam Singh in the upcoming elections? Will he be able to convince voters about the positive aspect of his party's governnace? Ganesha finds out.

Name of the Candidate - Mulayam Singh Yadav

Candidate's Birth Details - Birth date: 22nd November, 1939; Birth place: Saifai, Etawah, Uttar Pradesh

Party - Samajwadi Party

Constituency - Menpuri, Uttar Pradesh and Azamgadh, Uttar Pradesh

Election Dates - 24th April 2014 and 12th May 2014

Stars Speak (Astrological Factors)

Sun, Mercury and Venus are in conjunction in Mulayam Singh Yadav's Surya Kundali.

Swagruhi and retrograde Jupiter is forming the Gaj Kesari yoga with Moon in his Chart.

But on the other hand, debilitated and retrograde Saturn is forming Shapit Dosh with Ketu. Thus, there is one auspicious yoga and one unfavourable yoga in Mulayam Singh's Kundali.

Prediction (Astrological Analysis)

The Gaj Kesari yoga makes Mulayam Singh insightful, and thus gives him the mental strength to become a skillful politician. However, owing to the Shapit Dosh in his Chart, he tends to lose his share of the credit/ fame/ power/ money, just when he is about to get it all.

If you look at his past, you will find incidents when he has had to go through failure and rejection at the very last moment. He had no option but to compromise then.

The present negative transit of Saturn and Rahu over Yadav's Natal Rahu and the transit of Ketu over the Shapit Dosh Yoga shall create much greater negative impact – thus eating up the positive vibes generated by Jupiter's transit through his 8th House.

The transiting Jupiter is aspecting his Natal Rahu as well as the Lord of the Ascendant. Looking at this particular planetary formation, Ganesha feels that Mulayam Singh will get planetary support to some extent. But, the support will not impart much strength to his Surya Kundali.

Conclusion

Considering the Natal and transiting planets, Ganesha foresees that a tough time awaits Mulayam Singh Yadav.

His own performance may be good, but he will have to employ all types of tactics to better the overall performance of his party. If he fails to handle it tactfully, the challenges may become more difficult to deal with.

As per the BSP supremo's Surya Kundli, Saturn and Rahu are transiting through the House of Power. Ganesha foresees that she may be inspired to take the road less travelled. However, Jupiter is in the 6th House and transiting Saturn-Rahu in 10th House may bring a tough period for her. According to Ganesha, a positive period for her will start after the Elections 2014. After June 2014, Jupiter transit will prove to be extremely favourable for her.

A tough battle lies ahead for Chandra Babu Naidu during LS Elections 2014, predicts Ganesha.

Having served as Andhra Pradesh Chief Minister from 1995 to 2004, Telugu Desam Party (TDP) president Nara Chandrababu Naidu is aiming to rebuild his party base in Telangana in the 2014 Lok Sabha polls. The seats shortlisted include Hindupur in Rayalseema region and Malkajgiri constituency in Telangana.

As a chief minister, he has won several prestigious awards including IT Indian of the Millennium and was National IT Panel's chairman in NDA government.

After securing a BA degree in 1972, the 63-year-old obtained a post

graduation in economics. He was unable to complete his PhD under AP Finance Commission chairman DL Narayana. Rather jumped into active politics from 1974 onwards. A close confidante of Sanjay Gandhi, he was appointed president of Youth Congress, Pulicherla after becoming youth leader from Chandragiri. Naidu was the state's youngest assembly minister and member in the Congress party.

Ganesha takes a look at Chandra Babu Naidu's Birth Chart (Surya Kundli) to predict how he may perform in the forthcoming LS Elections.

Name: Chandra Babu Naidu

Date: 20th April 1950, **Time:** 11:28 AM, **Place:** Tirupati

Party: Telugu Desam Party

Constituency, City, State: Hindupur, Rayalseema region and Malkajgiri, Telangana

Election Date: May 7, 2014

Chandra Babu Naidu's Birth Chart

Stars Speak (Astrological Factors)

Ganesha observes Chandrababu Naidu's Birth Chart and notes that Natal Jupiter rules the 10th House of political career which also signifies the 7th and 9th Houses in his Horoscope.

At present, the benefic Jupiter has been transiting through the 1st House in Naidu's Chart. Mars, being the Lord of the 6th House of competition is passing through the 5th House.

Prediction (Astrological Analysis)

Considering these planetary forces, Ganesha feels Naidu will be able to achieve some success in these Lok Sabha Elections.

However, few of TDP's (Telugu Desham Party's) constituencies may not get the expected success - due to malefic Ketu's transit over Naidu's Natal Sun, who happens to be the party supremo. Also, Naidu, who himself is contesting election from more than one constituency may face challenges at one of these constituencies.

On the leadership front, though, Naidu will prove his efficiency that will enhance his public image among the masses. However, he may not be able to stop the Modi wave, which has been spreading in few of his constituencies.

Conclusion

Naidu's leadership will encourage his party cadre to an extent, but the stars are not very favourable, and thus he may not be able to find the desired success in LS Elections 2014.

Stars to extend their ample support for 'Mr. Clean' Navin Patnaik in the 2014 Indian General Elections.

'Mr Clean' and the 14th Chief Minister of Odisha, Navin Patnaik is seeking re-election for the 4th consecutive time from his home turf Hinjli Assembly constituency in Ganjam district in 2014 Lok Sabha Elections. Basically a writer, Navin Patnaik was pushed into politics after the demise of his father Biju Patnaik to form the BJD in 1997.

The soft-spoken CM of the Eastern state of Odhisa is best known for his anti-corruption and pro-poor policies which have given him a huge support base in his state. Just like his father, Biju Patnaik, Naveen has been successful in controlling the bureaucracy and transforming it into a machine for development in the state.

Naveen Patnaik was first elected from Hinji in 2000 to the State Assembly, defeating his Congress rival by a good number of votes. His winning margin increased in the following polls, which shows a direct connection to Mr. Patnaik's escalating popularity. With the Assembly and Lok Sabha polls taking place simultaneously in the state of Odhisa, Ganesha analyses how the sitting CM can sway the voters.

Name of the Candidate : Navin Patnaik

Date : 16 Oct 1946, **Time :** 01:00 am, **Place :** Cuttack, India

Party : BJD

Constituency, City, State : NA

Election Date : NA

Naveen Patnaik's Birth Chart

Stars Speak (Astrological Factors)

Ganesha notes that the Natal Jupiter rules the 6th House of success in competition and 9th House of fortune in Mr. Patnaik's Birth Chart. Also, Jupiter has been transiting over his Natal Moon (also his Ascendant Lord), and also aspects the 6th House in Navin's Natal Chart.

At the time of Election 2014, the transiting Moon will be in a Trine aspect from his Natal Moon, which is another positive factor for him.

Prediction (Astrological Analysis)

As per Ganesha's view, Jupiter's transit over the Natal Moon in Navin Patnaik's Horoscope will prove to be a helping factor for him, during the Lok Sabha Elections 2014.

Plus, Odisha CM will also be able to create a magical impact on his candidates and voters, the stars suggest.

Overall, his party is likely to gain the desired success, and the transit of the Sun through Patnaik's 10th House may also help him get remarkable support of voters.

Planets also suggest that Mr. Patnaik will be extremely effective with his speech. He is expected to get victory in Elections 2014.

Conclusion

Summarily, Ganesha is of the opinion that Mr. Navin Patnaik is likely to showcase his abilities quite well in Lok Sabha Elections 2014.

Y.S. Jaganmohan Reddy to become a formidable political force in Andhra Pradesh, say the stars.

Y.S. Jaganmohan Reddy is the son of former chief minister of Andhra, Y.S. Rajasekhara Reddy. Jagan, as he is popularly known, is a member of parliament from Kadapa constituency.

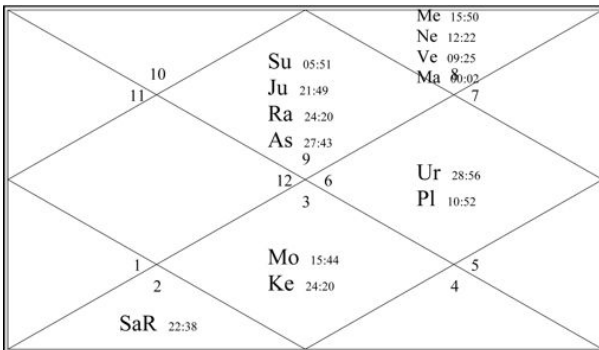

After the death of his father and the then chief minister of Andhra Pradesh, Rajasekhara Reddy, in a helicopter crash, Jagan had expected that the Congress party, to which his father and he belonged, would anoint him as the CM in place of his father. However, things didn't work out as expected, and subsequently Jagan resigned from the Congress in 2010.

Jagan floated his own party, known as YSR Congress or YSRC in 2011. After his breakup with the Congress party and since May 2012, Jagan has been in and out of prison, facing charges of accumulating enormous assets through political favours. A series of bail applications were rejected by various courts, citing the serious nature of the offence, and the amount that Jagan has allegedly accumulated is estimated to be around Rs.3000 crores. However, YSR Congress and other opposition parties claimed that this was a classic case of political victimisation and vendetta.

Jagan was granted conditional bail on 23rd September 2013. What lies ahead for him now during LS Elections 2014? Ganesha looks at his Kundali to see the way ahead.

Jaganmohan Reddy

DOB - 21st December 1972, TOB - 8:11, Kadapa

Stars Speak (Astrological Factors)

Jagan Reddy is under the influence of Mercury Mahadasha and Mercury Bhukti.

In Reddy's Natal Chart, the 10th House Lord Mercury, though placed in the 12th House, is powerful by being Vargottama.

Also, the transiting Jupiter is aspecting the Natal Sun and Jupiter in Reddy's Chart.

Prediction (Astrological Analysis)

The young leader will once again be at the center of attention during LS Elections 2014.

He will try to consolidate his party in the forthcoming elections. He will campaign vigorously, and may be able to find positive momentum, feels Ganesha.

The stars also indicate that there may be games behind the scene for the YSRC chief.

There will be some strategic tie-ups and associations, and Reddy will try all the tricks to fulfill his ambition. He will dictate the terms in the forthcoming elections, and opposition parties will have to accept his authority.

Conclusion

Jagan's popularity will increase, and he will become a formidable political force in Andhra Pradesh. His able leadership will help his party to gain significant success in the forthcoming elections.

Will the crusader of masses manage to beat rivals in LS polls 2014?

After quitting as Delhi Chief Minister, Indian Revenue Service officer and Aam Aadmi Party chief Arvind Kejriwal is emerging as the front runner in the Lok Sabha Elections 2014, all thanks to his fierce stance and his stand against BJP Prime Ministerial candidate Narendra Modi. Kejriwal is all set to contest for a Lok Sabha seat from Varanasi against none other than Mr. Modi himself - in the forthcoming 2014 General elections.

Kejriwal had emerged victorious in the Assembly Elections after defeating veteran Congress leader and Delhi CM Sheila Dikshit from her New Delhi constituency. However, he resigned from the post of the CM after a short tenure lasting 49 days.

Among his achievements include the Ramon Magsaysay Award, which he was awarded for his role in grassroots movement and using Right to Information (RTI) legislation against corruption. He is acclaimed for his role in drafting a proposed Jan Lokpal Bill, and came to fame during Anna Hazare's public movement against corruption.

The AAP candidate, Kejriwal, studied at Campus School in Hisar and

graduated from IIT Kharagpur in mechanical engineering. Displaying his extraordinary oratory skills, Arvind Kejriwal is now all set too woo the ancient temple town of Kashi in what looks set to be one of the fiercest battles of LS Elections 2014 -

Let's see what Ganesha predicts on the same -

Arvind Kejriwal's Birth Chart

Name of the Candidate: Arvind Kejriwal

Candidate's Details - Date of Birth: 16th August 1968; **Time of Birth** : 23:46; **Place of Birth** : Siwani

Party: Aam Aadmi Party

Constituency: Varanasi

Election Date - 12th May 2014

Stars Speak (Astrological Factors)

Arvind Kejriwal's Birth Chart reading suggests that he is currently under the influence of Jupiter-Mahadasha and Venus Bhukti. Jupiter is the 8th House's Lord in his Chart, which may not help him much.

The Jupiter-Venus period during the Elections 2014 may not help Kejriwal's cause much, says Ganesha.

Still, the Venus-Mercury-Jupiter-Sun stellium in the 4th House in

Kejriwal's Chart brings a lot of promise.

The transiting Saturn and Rahu are in his 6th House, and are aspecting the Natal Saturn – this is a very difficult planetary aspect, especially as the 6th House is the House of enemies and day to day work. This planetary aspect, thus, also indicates stiff competition and many hurdles for AK.

Prediction (Astrological Analysis)

AK's personality and charisma will definitely help him attract voters, contend the stars. He will be courageously setting up a fascinating contest with the BJP's Prime Ministerial candidate Narendra Modi.

Also, Kejriwal's angry-young-man like entry on the national political scene will make the forthcoming elections more interesting.

However, his difficult stars suggest that AK will not have his comfort zone this time around. He will try hard to create history, but the planetary influences are not in his favour.

Despite his aggressive campaign, he may not be able to gather much support at the national level during the run-up to the LS Elections 2014. He will have to tackle constant splits and confusion within the party cadre, and keeping the support and a good public image intact will be a very difficult task for Kejriwal.

Conclusion

Arvind Kejriwal will continue to remain a cause of concern for other leading political parties.

However, his performance in the General Elections 2014 shall not match the expectations.

Starry support in favour of the senior BJP leader Rajnath Singh during 2014 General Elections.

An 18-year old boy joined BJP's student wing the Akhil Bharatiya Vidyarthi Parishad in 1969 and went to become the president of BJP. Being a farmer's son and having faced challenges right from the young age, Rajnathi Singh learnt some important lessons early in life and also make it a point to focus on his education. He earned a degree in physics and also became a university lecturer later on. Deeply influenced by socialist leader Jayaprakash Narayan, Rajnath Singh actively participated in the movement against Indira Gandhi government.

The former Chief Minister of Uttar Pradesh, Rajnath Singh was assigned the duty of leading the party when veteran party member LK Advani stepped down as party chief. From December 2005 to December 2009, he held this post and he again became the party president in 2013, when Nitin Gadkari had to step down on corruption charges. At the national level, BJP has been in the Opposition for the past ten years, and now it is itching to come to the power and make their opponents quiet. Will Rajnath Singh be able to lead the party from the front? Ganesha finds out.

Name of the Candidate : Rajnath Singh

Party : BJP

Election Date : 30th April 2014

Rajnath Singh's Surya Kundli

Stars Speak (Astrological Factors)

Ganesha observes Rajnath Singh's Surya Kundli, and notes that the Natal Jupiter is swagruhi (in its own Sign) in the 10th House of political career.

At present, benefic Jupiter is passing over his Natal Mars and Sun. Plus, the transiting Mars is also providing a major contribution to him for Lok Sabha Elections 2014.

Prediction (Astrological Analysis)

As per Ganesha's view, the above mentioned planetary energies are likely to bring desired benefits for Rajnath Singh.

Jupiter's presence will help him gain more seats in his territory. On

the day of polling in his constituency, the transiting Moon will be conjunct with Singh's Natal Moon, which indicates achievement of goals and the fulfillment of aims.

Overall, stars suggest that Singh will be successfully elected with enhanced status as a representative of the people.

Conclusion

Summarily, as far as the Lok Sabha Elections 2014 are concerned, desired success is for Mr. Rajnath Singh is expected, according to Ganesha.

Malefic Saturn-Rahu may force Sonia Gandhi to settle for less in Elections 2014, says Ganesha

Mrs. Sonia Gandhi, the wife of the former Prime Minister of India, late Shri Rajiv Gandhi and the daughter-in-law of the Nehru-Gandhi

family, is the chairperson of the United Progressive Alliance. She also is the party president of the Indian National Congress.

Post the assassination of her husband during an election rally in 1991, she was asked to take over the party reins, but she initially chose to stay away. Sonia entered politics in 1997, and has served as the Congress supremo since 1998. Ever since she stepped into the politics she has fielded numerous allegations and verbal attacks, specifically owing to her foreign lineage, and sometimes for her association in the Bofors scandal, many times for her not-so-perfect Hindi and innumerable for innumerable other reasons.

In 2004, she won a Lok Sabha seat by a huge margin from Rai Bareilly, Uttar Pradesh – which she resigned from, to only get re-elected by a huge margin in the same year. In 2009 LS Elections, Congress again emerged as the single-largest party with a total seats count of 206.

As the Chairperson of the National Advisory Committee and the UPA, she played an important role in making the National Rural Employment Guarantee Scheme and the Right to Information Act into law. Currently, Mrs. Gandhi is spearheading the Congress' 2014 Elections campaign. Will she be able to woo the voters this time? Ganesha takes a look at her Horoscope to tell the way ahead.

Name of the Party - Sonia Gandhi

Party - Congress

Constituency, City, State : Rae Bareilly,

Election Date : 30th April 2014

Candidate's Details

Birth Date - December 9th, 1946; **Place of Birth** - Lusiana, Italy;
Time of Birth - 21.30

Sonia Gandhi

Stars Speak (Astrological Factors)

Sonia Gandhi is born with a Cancer Ascendant. Besides, in her Lagna Kundali, Saturn is in the first House, which makes her a far-sighted person by nature. This planetary aspect also plays an important role in making her a good politician.

However, Ketu, which keeps her away from coming to power directly, is in conjunction with Sun in her Chart.

The Kundli states that her strong Saturn brings her in politics, makes her a good administrator and an effective party worker, but a weak Sun does not let her come to the power.

Prediction (Astrological Analysis)

Jupiter transiting over Sonia' Natal Moon and aspecting her Natal Mars may bring her favourable results.

But on the other hand, Saturn-Rahu transiting over her Natal Jupiter and Venus will prove to be quite unfavourable for Sonia Gandhi.

Thus, on one hand, she enjoys the support of Jupiter, on the other hand, the negative impact of the malefic planets may pose many challenges for her.

All in all, Sonia may face a lot confusions and conflicts.

On 30/04/2014, Moon will be in Taurus. Ganesha notes that Rahu is also in Taurus in Sonia Gandhi's Kundali. Hence, the day of the polling in Delhi may be stressful for her. There is a possibility of a negative or biased view getting formed against her.

Conclusion

Thanks to Jupiter, the period before June may prove somewhat favourable for Sonia Gandhi. However, the conjunction of Saturn and Rahu will force her to compromise, and adopt for a settlement.

Ramkripal Yadav should be careful of his communication during LS Elections 2014.

Ramkripal Yadav, the former Rashtriya Janata Dal (RJD) leader, who had cut all ties with his party and its leader Lalu Prasad Yadav after three decades of bonhomie, has now joined the Bharatiya Janata Party (BJP). Yadav did not contest the 15th Lok Sabha Elections; he is

a Rajya Sabha member currently.

The three-term MP from Patna (Patna Sahib), Ramkirpal Yadav, while quitting the RJD, had earlier criticised Lalu for promoting his family members at the cost of senior politicians of the party. He is contesting the upcoming Lok Sabha Elections'14 from Patliputra constituency, where he faces challenge from RJD's Misa Bharti, daughter of Lalu Prasad Yadav.

Ganesha with the help of Vedic astrology looks at the Solar Chart of Ramkripal Yadav, and predicts the way ahead for him -

Name of the Candidate - Ramkripal Yadav

Birth Date - 12th October 1957

Party - BJP

Constituency, City, State - Patliputra, Bihar

Election Date - 17th April 2014

Ramkripal Yadav

Star Speak:

In Ram Kripal Yadav's Surya Kundali, Mercury, Mars, Jupiter and Sun are together in one House.

When many planets are posited in one House, they tend to obstruct each other's powers and tilt the Kundali on one side.

In his Navmansh Kundali, Sun is in Leo, which means that Sun, the significator of power, is strong in Yadav's Chart.

Prediction (Astrological Analysis)

Some strange and unexpected events may take place on 17/04/2014, because of Sun-Ketu conjunction and Moon-Rahu-Saturn conjunction. Such planetary alignments may confuse the voters as to whom to vote for. Both Sun and Moon will be afflicted on this day, and hence there is a strong possibility of biased views getting formed against candidates and political parties. Needless to say, this will all make the elections more thrilling.

Since Mars will be transiting over Yadav's Natal Mars on 17/04/2014, Ramkripal Yadav may make some impetuous comments, and end up getting fined by the government authorities. However, Jupiter in his Kundli's 10th House may give him some respite in this regard.

Conclusion:

Looking at the transiting and the Natal planets in Ramkripal Yadav's Surya Kundali, Ganesha feels that he may be able to win the elections - with marginal difference. The possibility of recounting, however, cannot be ruled out.

Stars may bring a mixed bag of fortunes for General VK Singh in 2014 General Elections, says Ganesha.

General Vijay Kumar Singh belongs to a Rajput family of Bapora village in Bhiwani district of Haryana state. His father Jagat Singh was a Colonel in the Indian Army and grandfather Mukhram Singh a senior Junior Commissioned Officer (JCO). His three uncles were in the Services and so were four of his cousins. General Singh did his schooling from, Birla Public School, Pilani, Rajasthan. He went to NDA after completing his 10th class and had figured in the merit list of Rajasthan Board of Education. He became Chief of Army Staff in 2010, and was the first commando to achieve the position.

Towards the end of his career there was a dispute regarding his date of birth, over which he became the first serving officer of the Indian Army to take the government to court. As a consequence of an error made when he had enrolled with the NDA in 1965, official records mis-stated the year in which he was born. He withdrew the petition in February 2012 when the Supreme Court refused to intervene in the matter.

The retired officer then joined hands with Anna Hazare in the agitation against corruption. He will contest the upcoming LS polls from Ghaziabad.

Name of The Candidate:

General V. K. Singh

Candidate's Birth details:

10/05/1951, Pune

Constituency, City, State

Ghaziabad, UP

Election Date:

10th April 2014

Surya Kundli:

Stars Speak:

Since the exalted Sun and Swagruhi Mars are in conjunction in General V. K. Singh's Surya Kundali, he is still carrying the energy and enthusiasm he had when he served the nation as the Chief of Army Staff.

Swagruhi Jupiter makes him open-minded and sensible, whereas Moon-Venus conjunction gives him an impressive personality. Since

Sun is fairly strong and well-posed in his Surya Kundali, he will remain connected with the government one or the other way.

However, Saturn is retrograde in his Surya Kundali, hence he will have to work hard to become a good politician. His stars suggest that he will be able to become a good administrator.

Prediction (Astrological Analysis)

On 10-04-2014, i.e., the day of polling in Singh's constituency, the Lord of the Ascendant Mars will be transiting through the 6th House in retrograde motion. This particular planetary movement may help him defeat his enemies.

However, the Moon will be transiting over his Natal Ketu, and according to Ganesha, it will reduce the number of voters who would vote for him. The Sun also becomes slightly weaker in his Chart, around the day of the elections. Thus, it looks set to be a mixed bag of fortunes for General V. K. Singh.

Conclusion:

The day of the polling may turn out to be quite dramatic for General VK Singh, foresees Ganesha. It won't be surprising if the parties forget the rules and regulations in order to get more votes.

In a nutshell, Ganesha says that General V. K. Singh may be able to win by a marginal difference.*

**Please note that birth details of V. K. Singh's opponents are not available. Hence, the predictions here give just an overview.*

CELEBRITY CONTESTANTS

Why is Ganesha not very hopeful about Bappi Da's victory in LS Elections 2014? Read on...

Name of the Candidate - Bappi Lahiri - BJP

Candidate's Birth Details - 27th November 1952

Election Constituency - Sreerampur, West Bengal

Party - BJP

Election Date - 30th April 2014

Bappi Lahiri's Surya Kundli

The veteran, famed Indian music director, composer and singer Alokesh Bappi Lahiri, fondly known as Bappi Da, is going to contest for a Lok Sabha seat during the Indian General Elections 2014. The 61 year old, as famous for his eclectic, jewel-inspired dressing as for his yesteryears' tunes, recently joined Bhartiya Janata Party, and would now be wooing the voters from his home state of West Bengal.

Related to the ace musician/ actor Kishor Kumar and popular for his myriad foot-tapping numbers, Bappi Da has recently been visible on popular Indian television as a reality show judge. He is the first Asian

Pop Singer who was acknowledged world wide for his International Dance Chart song; he also released many privatee albums later. Will the super-charismatic Bappi Lahiri manage to attract the audiences as a leader? Well, we take a look at his stars and the transiting planets' picture on the day he takes on his opponents in LS Electiosn 2014. Here's a take -

Stars Speak (Astrological Factors)

On 30th April 2014 – the day of polling at Sreerampur, West Bengal, the retrograde Mars will be transiting through the 11th House from Bappi Da's Surya Lagna. The transiting Moon will be in Taurus. Sun, Ketu and Mercury will be in Aries over the retrograde Jupiter in Bappi Lahiri's Natal Chart. And, Venus will be transiting over his Natal Moon.

Prediction (Astrological Analysis)

Ganesha feels that it is not going to be very easy for Bappi Lahiri to win against his opponents. Other candidates or parties look set to have a stronger hold over this constituency, and that may make Bappi Da's task more difficult.

Even if he puts in a great effort during his campaign, he will have to be lucky enough to get elected at this seat – in short, on this day his opponents' stars would have to be weaker than his. His Natal Chart indiactes, however, that his own stars are not completely in his favour, and there are difficult aspects getting created in his chart – which may not make things easier for the adorable Bappi Da.

Conclusion

As, except Venus – no othet planet is in Bappi Da's favour on the day of election, he will have to literally pray for the victory. The chances of Bappi Da shining in this election are lesser, as per Ganesha's view.

Election Date : 30th April 2014

Name : Paresh Raval, Date of Birth : 30th May 1950, Time of Birth : Unknown, Place of Birth : Kalol, Gujarat.

Paresh Rawal's Surya Kundli

You know him as an effortless actor who gets into the skin of the character he is playing and entertains you completely and thoroughly. From out and out commercial cinema to the films like *Sardar* and *Tamanna*, Paresh Rawal has been an actor par excellence.

But, Mr. Rawal has now ventured into a territory quite unknown to him. A loyal supporter of the Gujarat CM Mr. Modi, Paresh Rawal will be fighting on a BJP ticket in the Lok Sabha Elections 2014 from Ahmedabad East seat.

Unlike films, here he will have to make some direct communication with people on a personal level, and be his real self to please them, especially the supporters of the veteran MP Harin Pathak from BJP - who has been denied a ticket to accommodate Paresh Rawal.

Ganesha examines Paresh Rawal's chart and finds out how this new stint will turn out for him.

Stars Speak (Astrological Factors)

Ganesha observes Paresh Rawal's Surya Kundli, and notes that Jupiter is placed in the 10th House, which will be transiting through the 2nd House during the election period. It will aspect the Natal Jupiter and the 10th House too. The transiting Moon on the day of election will be passing over the Natal Sun.

Prediction (Astrological Analysis)

The above mentioned planetary forces are indicating very favorable points for the fine actor. He is capable enough to attract people by his inspiring speech.

Overall, his chances of winning with a huge margin are expected as per Rawal's Surya Kundli.

Jupiter in the 10th House will also make him more ambitious for his future political career. Jupiter's presence will also make him more successful in social work and social welfare.

Overall, Paresh Rawal will prove to be a great and smart bet for the Bhartiya Janata Party.

Conclusion

Summarily, Ganesha feels that Mr. Paresh Rawal will win by a huge margin in 2014 Lok Sabha Elections.

Stars may not favour feisty Nagma on the day of polling in Meerut, UP, says Ganesha.

Name of the Candidate :- Nagma

Candidate's Birth Details :- 25th December 1974

Election Constituency :- Meerut, Uttar Pradesh

Party - Congress

Election Date:- 10th April 2014

Nagma's Surya Kundli

Nagma or Nandita (Nagma) Arvind Morarji is a popular South Indian actress, who began her career with a few super-hit Bollywood movies, including her debut film *Baaghi* opposite Salman Khan.

Hailing from a colourful family with royal roots and an entrepreneurial background, glamorous Nagma began her foray in the films with Hindi movies, became a popular actress in the Southern India and then a super-popular one in the Bhojpuri cinema.

She also runs her own clothing venture, and has been a spiritual teacher. All these aspects, besides giving her a plenty of fame, have lent an eclectic side to her persona, something that will hold her in a

good stead in the upcoming General Elections where she contests for a Lok Sabha seat from the Congress party from the notorious Meerut constituency in Uttar Pradesh. Nagma has courted controversy even as a politician, and this probably has only added to her popularity. Will she manage to win in the Indian General Elections 2014? Ganesha takes a look at her Kundli and stars on the polling day to predict the way ahead.

Stars Speak (Astrological Factors)

Ganesha notes that on 10th April 2014, when the polling at Meerut will be held, the transiting Mars will be forming a Square aspect with Nagma's Natal Sun, Mercury and Venus. Also, the retrograde Saturn and Rahu will be in the 11th House from her Natal Sun. Venus will be transiting over her Natal Jupiter and the transiting Jupiter would be moving over her Natal Saturn. The transiting Moon will be in the 8th House from Nagma's Natal Sun on this day.

Prediction (Astrological Analysis)

Considering the afore-stated planetary positions on the day of election, Ganesha feels that it is going to be very difficult for Nagma to impress and attract a plenty of voters here.

She may also not be able to focus entirely on her campaign, or may face some problems during her campaign.

The transiting Sun and Mercury in a Square aspect with her Natal Sun and Mercury will further make her fight tougher here. Overall, this looks set to be a very stressful journey for Nagma, says Ganesha.

Conclusion

Considering all the planetary positions in Nagma's chart and the transiting planets on the day of polling in Meerut, Ganesha concludes that stars may not favour Nagma, and she may lose the Congress' seat at Meerut.

Stars not much in support of the actress turned politician Jaya Prada in Elections 2014.

Name of the Candidate : Jaya Prada

Party : RLD

Constituency, City, State : Bijnor, UP

Election Date : 10th April 2014

Name : Jaya Prada, Date of Birth : 03rd April 1962, Time of Birth : Unknown, Place of Birth : Rajahmundry, AP

Surya Kundli

South Indian film actress and politician Jaya Prada was born in 1962 in Rajahmundry, Andhra Pradesh. Showing precocious acting talent at a very young age, she went on to become not just a successful actress in Telugu films, but also in Tamil, Hindi, Kannada, Malayalam, Bengali and Marathi films.

The doyen of Telugu films NT Rama Rao invited her to join the political party he had started called Telugu Desham Party, which she joined at the age of 32. Though she did not directly contest elections, she campaigned heavily for other party members. However, after

developing differences with NTR's successor Chandrababu Naidu, she left the TDP to join Samajwadi Party and contested from Rampur in Uttar Pradesh during the Lok Sabha Elections in 2004, and won by a margin of more than 85,000 votes.

Later, she developed differences with senior SP leader Amar Singh and joined the RLD, on whose ticket she will be contesting the 2014 elections from Bijnor, UP. Based on astrological factors, Ganesha feels that Jaya Prada may not be able to make a significant impact in the forthcoming Lok Sabha Elections.

Stars Speak (Astrological Factors)

Ganesha observes Jaya Prada's Surya Kundli, and notes that Jupiter is the 10th House Lord and has been passing through the 4th House in her Chart.

Saturn, being the Lord of the 11th House of gains has been transiting with malefic Rahu through the 8th House of misfortune in Jaya's Chart.

Prediction (Astrological Analysis)

The above-mentioned planetary moves indicate that the path to success for Jaya Prada in the coming elections will be difficult.

The period till the end of April 2014 will remain extremely eventful on the political front generally too, reminds Ganesha. This may affect some major leaders too.

The battle for power will be keenly contested in Bijnor from where Jaya Prada is contesting elections. Despite all serious efforts, though, she may not be able to appease the voters.

Conclusion

In conclusion, it does appear that Jaya Prada may not get the desired success in these elections, says Ganesha .

Ups and Downs in P. C. Sorcar, Jr.'s Chart may spoil his otherwise bright chances in 2014 LS Elections.

Name of the Candidate :- P. C. Sorcar, Jr.

Party - BJP

Candidate's Birth Details :- 31st July 1946

Constituency, City, State:- Barasat, West Bengal

Election Date:- 12th May 2014

P. C. Sorcar, Jr.'s Surya Kundli

Fondly called as the “Merchant of Vanish”, P C Sorcar Junior is a name synonymous with magic and illusions, in India. And quite rightfully so, after all he “vanished” the famous Taj Mahal for two minutes, Victoria Memorial of Kolkata and Indore – Amritsar Express full of passengers in front of a large crowd.

His proximity with the former West Bengal chief minister Buddhadeb Bhattacharjee has been a known fact. Therefore, when he decided to fight the Lok Sabha Elections 2014 on a BJP ticket, he took many people by surprise.

Well, it's time for him to cast a magical spell, but without doing any magic tricks. Needless to say, P C Sorcar Junior has a great fan base, especially in the West Bengal. But, will his admirers help him win

elections? Ganesha finds out.

Stars Speak (Astrological Factors)

Ganesha observes that on the day of polling in Barasat, West Bengal - that is 12th May 2014 - P. C. Sorcar, Jr. would be under the influence of Mars return, but his Natal Mars is direct and the transiting Mars would be retrograde.

The transiting Venus will be exalted in his Chart's 9th House from his Sun, forming a favourable Trine.

The transiting Moon will be on the Natal Juptier. Sun and Ketu will be in the 10th House from his Natal Sun.

Prediction (Astrological Analysis)

After gazing at the stars of the election day, Ganesha feels that P. C. Sorcar, Jr. is going to have a decent impression on the voters.

Though, he may not be able to mesmerize or hypnotize a huge section of masses, the stars are indicating that he is going to get a decent mileage. His support line will be powerful, which will help him fetch more votes to stand against his competitors.

The transiting Moon and the transiting Venus - two benefics are in his favour.

However, as some difficult aspects too are taking place in his Chart, like Saturn Rahu Square with Sun, Ganesha feels that P. C. Sorcar, Jr. will not be able to collect a huge vote-bank.

Jupiter's transit through the 12th House from his Natal Sun may also dampen his luck, despite other favourable planetary transits.

Conclusion

Summarily, Ganesha feels that P. C. Sorcar, Jr. will surely give a very tough fight to his competitors, but the chances of him coming out as a clear-cut winner are not very high.

Ganesha optimistic of Shatrughan Sinha enjoying a favourable tide of fortune in Elections 2014.

Name of the Candidate : Shatrughan Sinha

Party : BJP

Candidate's Birth details : 15 July, 1946

Constituency, State : Patna Sahib, Bihar

Election Date : 17th April 2014

Surya Kundli

Actor-turned-politician, Shatrughan Sinha, referred as Shotgun Shatru – also the father of the contemporary Bollywood actress Sonakshi Sinha, is brazen enough to take on his opponents in the upcoming 2014 Lok Sabha polls. He was twice elected a Rajya Sabha member.

Prior to getting elected for the 15th Lok Sabha in 2009, Sinha served as the Union Cabinet Health and Family Welfare Minister from January 2003 to May 2004 and for Shipping in August 2004.

Youngest of four brothers, Sinha studied from Patna Science College, before entering stardom in the Hindi film industry. Though he hails from the state known for film personalities, Sinha struggled hard initially. He incidentally was among the distinguished male stars in 70s and 80s.

Later, he jumped on the politics bandwagon - in mid-80s - after being inspired by Bihar's political stalwart Shri Jay Prakash Narayan. As a politician too, Sinha was loved by the masses, thanks to his oratory skills.

Will the Shotgun garner a good support of masses yet again in 2014 Elections? He had defeated his opponent by a huge margin in 2009 general elections. Will the magic wand formula work to his advantage this time? Time will tell! Ganesha also attempts to predict the same.

Stars Speak (Astrological Factors)

Ganesha observes Sinha's Surya Kundli, and notes that his Natal Jupiter rules the 10th House of his political career, which incidentally is aspecting the 10th House too. At present, the benefic Jupiter is passing over Sinha's Natal Sun, which also aspects the 5th House of luck and 9th house of fortune in his Solar Chart.

Saturn, the Lord of the 9th House of fortune is aspecting the 7th House in his Surya Kundli.

Prediction (Astrological Analysis)

The above mentioned planetary forces are indicating a favourable time for Sinha.

Overall, his Surya Kundli predicts that the yesteryears actor has all the chances of winning by a huge margin.

Saturn's favourable aspect will also make him more ambitious for his future political career.

Sinha is capable enough to attract people by his inspiring speech. And, Jupiter's presence will make him more successful in social work and areas related to the social welfare.

Conclusion

Considering all these planetary influences, Ganesha feels Shatrughan Sinha will be able to achieve the desired success in these Lok Sabha Elections.

Raj Babbar unlikely to win during 2014 Lok Sabha Elections, feels Ganesha.

Name of the Candidate : Raj Babbar

Party : Congress

Constituency, City, State : Ghaziabad, Uttar Pradesh

Election Date : 10th April 2014

Name : Raj Babbar, Date of Birth : 23rd June 1952, Time of Birth :
Unknown, Place of Birth : Tundala, UP

Raj Babbar's Surya Kundli

Born in Agra, Raj Babbar went to the National School of Drama where he was trained in the Method school of acting, and developed an interest in street theatre. Despite his superior acting ability, he was unable to attain the super-star image in Indian cinema. That is not to say that he did not do eclectic, meaningful cinema - he is well remembered for his versatile roles in movies like *Nikah*, *Insaaf Ka Tarazu* etc.

He entered politics by joining the Samajwadi Party in 1994, which sent him to the Rajy Sabha. Later, he won Lok Sabha Elections from

his native place Agra in 1999, 2004 and 2009 (Fatehpur Sikri), the first two times as an SP nominee and the third on a Congress ticket.

He left the SP due to his differences with the senior SP leader Amar Singh, and joined the Congress in 2008. This time, he has shifted to Ghaziabad where he is facing a tough challenge from the BJP candidate and former Army chief General VK Singh.

With the help of Vedic astrology, Ganesha predicts that he is unlikely to win this election. Why and how? Read on!

Stars Speak (Astrological Factors)

Ganesha observes Raj Babbar's Surya Kundli, and notes that the Natal Jupiter rules the 10th House of political career in his Chart, and is posited in the 11th House.

At present, malefic Ketu has been passing over his Natal Jupiter. Mars, being the Lord of the 6th House of success in competition in Babbar's Chart, is getting afflicted by malefic Saturn and Rahu.

Prediction (Astrological Analysis)

Due to the influence of Jupiter's transit through Gemini, Raj Babbar may appear impressive initially, and will also try hard to appease the voters.

But, due to the affliction of malefic Ketu, there may be some doubts and dissatisfaction among the public.

There will be a strong fight with his opponent in his territory. Although he will be action-oriented and determined, Babbar may not be able to gain the desired results in 2014 Lok Sabha Elections, says Ganesha.

Conclusion

Despite all serious efforts, Raj Babbar may not be able to beat his competitors, contend the stars.

Yesteryears' *Dream Girl* Hema Malini not likely to win in the 2014 LS Elections, feels Ganesha..

Name of the Candidate : Hema Malini

Party : BJP

Constituency, City, State : Mathura, Uttar Pradesh

Election Date : 24th April 2014

Name : Hema Malini, Date of Birth : 16 October 1948, Time of Birth : Unknown, Place of Birth : Ammankudi, Tamil Nadu

Hema Malini's Surya Kundli

Born in 1948, Hema Malini is an Indian film star, Bharatanatyam exponent, and a politician. She made her film debut in the film *Sapno Ka Saudagar* in 1968, and went on to appear in numerous Bollywood films, most notably with Dharmendra and Rajesh Khanna. She is one of the most successful female film stars in the history of Indian cinema, making an appearance in over 150 films in a career spanning four decades.

Hema Malini was honoured with the Padma Shri, the fourth-highest civilian honour by the Government of India.

Blessed with two beautiful daughters, the *Dream Girl*, as Hema Malini is fondly called by her fans, divides her time among films, her

family and charitable and social activities.

She is an active member of the Bharatiya Janata Party and was its Rajya Sabha representative from 2003 to 2009. This year, she is going to contest the upcoming Lok Sabha Elections on a BJP ticket from Mathura, Uttar Pradesh.

However, Ganesha feels that despite her star appeal, she is unlikely to score a win the the polls.

Stars Speak (Astrological Factors)

Ganesha observes Hema Mailini's Surya Kundli, and notes that Natal Mercury rules the 10th House of Political Career. And, Mercury is retrograde and is conjunct with malefic Ketu in the 2nd House currently.

Jupiter, being the Lord of the 7th House in her Chart is presently transiting through the 10th House, and also aspects the 10th House Lord.

Prediction (Astrological Analysis)

The influence of Jupiter's transit through Gemini (10th House of her Surya Kundli) provides the yesteryears actress good leadership qualities. But, the affliction in the 8th House may pose difficulties in her path to overall success.

She will have to face stiff competition from her opponents in these Elections. Although she will be action-oriented and determined, she may not be able to gain the desired benefits in 2014 Lok Sabha elections.

However, her planetary aspects post-August 2014 seem favorable due to which she is likely to take an active part in politics. In other words, she may get a highly respectable post such as a representative of a governing body or an ambassador for an organisation.

Conclusion

Despite all serious efforts, she may not be able to beat her competitors in these Lok Sabha elections.

A strong opposition may foil actress Kirron Kher's Lok Sabha dreams, says Ganesha.

Name of the Candidate :- Kirron Kher

Birth Details:- 14th June 1955

Constituency, City, State:- Chandigarh

Election Date:- 10th April 2014

Kirron Kher's Surya Kundli

Born and brought up in Chandigarh, Kirron Kher is a film, theatre and stage actor who has secured a place in people's heart with her loving smile and graceful personality, and of course, amazing acting ability. Kirron Kher has also been actively participating in social causes and non-profit movements. She joined BJP in 2009 and she also campaigned for the party during the local and general elections. One to be opinionated and socially aware, Kirron Kher was also a part of the 2011 Indian anti-corruption movement. This year she will test the waters and fight the general elections 2014 from Chandigarh.

Will she be able to convince the voters about her leadership skills and ability to represent them in the Lok Sabha? Read on to know what Ganesha has to say about Kirron Kher's prospects on the political front.

Stars Speak (Astrological Factors)

Kirron Kher's stars at her birth are very strong. Venus and Mercury are Swagruhi, whereas Saturn and Jupiter are exalted. Venus in Taurus in her Chart makes her a very good artist.

However when it comes to politics, it would be altogether a different ball-game. Jupiter will be transiting over her Natal Mars, Ketu and retrograde Mercury on the day of polling. Venus will be in Square with her Natal Venus and Sun. The transiting Moon will be in the Sign in which she has an exalted Jupiter. Rahu and Saturn will be transiting over her Natal Saturn.

Prediction (Astrological Analysis)

Kirron Kher's all powerful planets Mercury, Venus, Saturn and Jupiter have lost their power somehow or the other in the transit chart that gets created for the time of Elections.

In view of the same, although she may leave a good impression on the voters (which is her Natal promise too, by delivering strong speeches and mingling with people, because of her powerful Mercury), she won't be able to leave the desired impact on a very huge section of voters.

Stars suggest that she won't be able to find a strong foothold in the constituency she is contesting from. She may also face some difficulty or may get surrounded by some controversy around the election dates. The transit of Venus is still satisfactory, but other planetary transits are not strong enough to lead her to victory through this battle.

Conclusion

Ganesha strongly feels that - at the most Kirron Kher will be able to break votes in some sections - thus somewhat undermining the chances of her opponents to some extent. But, she may not come out victorious in these Elections.

Stars, thus, suggest that it will be very difficult for her to triumph over her opponents - Her opponents for sure are going to be very strong, indicates her Chart.

Difficult stars portend a difficult road ahead for Ms. Panag, says Ganesha.

Name of the Candidate - Gul Panag, AAP,

Candidate's Details - 3rd January 1979

Constituency, City, State :- Chandigarh, Punjab

Election Date:- 10th April 2014

Gul Panag's Surya Kundli

Gul Panag started off her career in the glamour world, went on to represent India in an international beauty pageant and later joined the Hindi film industry. Although she received a warm welcome from the mainstream cinema, she chose to stick to unusual, unique films. The kind of roles she chose to portray on-screen silently conveyed how she felt about certain issues, what she believed in, and also that fame and money were not exactly her priorities. The glam worlds of modelling and films could not hold the attentions of the feisty Gul for long, and she also soon started focusing in other areas. Panag runs an NGO that addresses issues like gender equality, education and disaster management.

The former Miss India is now gearing up for a role of a life-time - the role of a full-blown political leader - in real life. This time the stakes are higher, and the matter very serious. However, politics is not something she suddenly got interested in. Not many people know

that she holds a Masters degree in Political Science. She has also won a number of state and national level debate competitions. But, one would agree that real-life politics is a completely different ball game. Will the stars support Gul Panag in General Elections 2014 as she contests with an Aam Aadmi Party ticket for a Lok Sabha seat from Chandigarh, Punjab? Ganesha finds out.

Stars Speak (Astrological Factors)

Ganesha observes that Gul Panag is born with the Sun and Mars posited in the Zodiac Sign Sagittarius. The transiting Mars will be retrograde at the time of the polling. And, it will be in a Square aspect with Guls' Natal Mars and Sun.

Mars to Mars Square is almost degreecal – quite close. Also, the Moon will be transiting over the retrograde Jupiter in her Natal chart around the polling time. While, Venus will be transiting over her Natal Ketu at that time. Also, Saturn-Rahu will be in a Sextile spect with her Natal Mars and Sun.

Prediction (Astrological Analysis)

The overall planetary positions do not look set to ease things out for Gul Panag during and after the elections.

The transiting Mars' Square with her Natal Mars and Sun will keep Gul under a lot of stress during elections. She does not look set to be able to attract or impress voters, despite her media image.

The transiting Mercury is debilitated and is forming a Square aspect with her Natal Sun, so she will have to be extra careful while delivering any speeches in the run up to the elections. Her communication (especially with media or in public) may work against her, feels Ganesha.

Conclusion

The stars do not favour Gul Panag currently, and they may not do so even on the date of polling in Chandigarh. Thus, Ganesha strongly feels that the people of Chandigarh may largely remain unimpressed by Panag, and she may not gain much in the General Elections 2014 - in short, she may not win the elections.

Name of the Candidate:- Moon Moon Sen

Candidate's Birth Details:- 28th March 1948

Constituency, City, State:- Bankura, Bankura, West Bengal

Election Date:- 7th May 2014

Moon Moon Sen's Kundli

Indian film actress Moon Moon Sen was born on 28 March 1948, and has worked in Bengali, Hindi, Tamil, Telugu, Malayalam, Marathi and Kannada films. She has also received the Andhra Pradesh Nandi Award for Best Supporting Actress in 1987 for her role in the film *Sirivennela*.

She did her schooling in Loreto Convent, Shillong and at Loreto House, Kolkata, and graduated from Somerville College, Oxford. Moon Moon Sen started her films and television career after marriage and motherhood. She made her debut in *Andar Baahar* in 1984. Her daring role in that film stirred up a huge controversy. She also acted in a suspense thriller "100 Days" with Madhuri Dixit. After *Zakhmi Dil* (1994) she did not appear in films until 2003 when she starred in an unsuccessful thriller *Kucch To Hai*. Overall, she failed to match the success of her mother Suchitra Sen.

Now she has entered politics and will contest the upcoming LS Elections on a Trinamool Congress ticket from Bankura constituency. What have the stars in store for her? Probes Ganesha.

Stars Speak (Astrological Factors)

Ganesha observes that on the date of polling in Sen's constituency, the Sun will be transiting over Venus, and Venus will be transiting over Sun in her horoscope. She will be under the influence of Rahu Ketu half Return.

Moon will be transiting over her Natal Saturn and Mars. It is to be noted that transiting Mars and Saturn will be retrograde on 7th May 2014. As Moon Moon is born with retrograde Saturn and Mars, she will have these two planets in her favour. The transiting Jupiter is in the 7th Sign from her Natal Jupiter.

Prediction (Astrological Analysis)

Considering the points mentioned in Stars Speak, Ganesha feels that Moon Moon Sen is going to be at an advantage during these elections. Planetary transits are supporting her, especially retrograde planets that generally make things difficult for other candidates born with those planets in direct motion. Ganesha feels that although chasing other candidates will not be that easy for her, Moon Moon will be able to create a considerable vote-bank for herself. Her campaigns will also get a good response.

Conclusion

Briefly, Ganesha feels that Moon Moon has all chances of shining in LS Elections 2014.

She will have an advantage over other candidates. The chances of her bagging good number of votes are very high.

She would triumph over other candidates, by the Grace of Ganesha.

LS polls: Will Pawan Kalyan prove to be a good political leader? probes Ganesha

Name of the Candidate/ Party = Pawan Kalyan

Party - Jana Sena Party.

Constituency, City, State - NA

Election Date - NA

Pawan Kalyan

The younger brother of Telugu superstar Chiranjeevi and Nagendra Babu, Pawan Kalyan launched his Jana Sena Party in March 2014. Addressing a huge gathering of his fans, he gave a clarion call *Congress hatao desh bachao*. Earlier in March, he met BJP's Prime Ministerial candidate Narendra Modi and extended his support to the the party.

A black belt in karate, Kalyan displayed martial arts skills in some of his films and exhibited them at several auditoriums. These abilities helped him earn the title 'Pawan', symbolizing Lord Hanuman. Being a strict vegetarian and influenced by Swami Vivekanada's philosophy, the young leader said he has not decided to contest the polls despite his party keen for tie-ups with some major political parties in the

forthcoming polls.

Surely, the answer lies with Ganesha - whether the new party manages to bag a number of seats for possible tie-ups or not. Read what is in store --

Stars Speak (Astrological Factors)

In Pawan Kalyan's Surya Kundali, the Sun, Venus and retrograde Mercury are in conjunction. Ganesha observes that Moon, retrograde Mars and Rahu are also in conjunction. Since six planets are posited in these two Houses, they tend to have a strong impact of rest of the Kundali.

When favourable planets transit through these Houses, they bring more positive results. But when negative planets transit through them, the unfavourable impact becomes more profound. His fortunes will tend to swing prominently and at regular intervals.

Prediction (Astrological Analysis)

Jupiter transiting through Kalyan's Gain House will result into him making new friends and getting positive results because of his friendships. The Rahu and Saturn transits will not bring him very unfavourable results - which is good, as no loss should be considered as profit in this case.

Kalyan's friends and fans will support him, but his Kundali does not indicate strong chances of him becoming a very successful politician.

Conclusion

In the long run, Kalyan may form an alliance with another big party, and may merge his party with that party. His performance as a party leader may not be very impressive, though, suggest that stars.

Bleak chances for Kishan to create an impact this time, predicts Ganesha.

Name of the Candidate/ Party : Ravi Kishan, INC

Candidate's Birth Details : 17th July 1971

Constituency, City, State : Jaunpur, UP

Election Date : 12th May, 2014

Ravi Kishan - Kundli

Fondly known as Ravi Kishan by his fans, Ravi Kishan Shukla is an acclaimed Bhojpuri actor and television personality. Many describe him as Amitabh Bachchan of Bhojpuri cinema.

Apart from his films, he played an extensive role in the Indian version of Big Brother, Bigg Boss and *Ek Se Badhkar Ek*. But now, the actor is campaigning hard and willing to contest for the Congress party in the upcoming parliamentary elections.

At ETV Bhojpuri Cinema Samman event in 2008, he was felicitated with the Most Popular Actor award. The actor's film career is at its peak these days following nine of his movies which are slated for release shortly. Among five of the Bollywood films, one is *Global Baba*, based on the life of self-styled godman Asaram.

Will Kishan manage to impress his voters equally in the 2014 LS Elections? Ganesha takes a peek into the Bihar's superstar's Kundli to see what lies ahead -

Stars Speak (Astrological Factors)

Ganesha observes that on the election date, Sun, Ketu, Saturn and Rahu will be forming Square with Ravi's Natal Sun, Ketu and Mercury. Moon and Mars will be transiting over his Uranus and Pluto. Venus and Uranus will be transiting through the 9th House from Sun and Mercury transiting over his Natal Saturn. Whereas Jupiter will be transiting through the 12th House from his Natal Sun.

Prediction (Astrological Analysis)

Considering the planetary positions of the polling in 12th May 2014, Ganesha feels that it is going to be a frustrating day for the Bhojpuri actor.

He may hardly be able to have an edge over other candidates. His luck factor won't support him on this crucial day, due to the possibility of malefic planets, feels Ganesha.

Only the transit of Venus is in his favour. He will have only a few votes in his kitty, despite seemingly appealing to a huge vote bank, suggest the stars.

Conclusion

Ganesha strongly feels that the chances of Ravi Kishan winning from this constituency are rather grim. Rest depends on the stars of the contestants fighting from the same seat.

Tough Planetary Aspects may make the roah ahead difficult for Babul Supriyo, feels Ganesha.

Name of the candidate: Babul Supriyo

Birth date: 15th December 1970

Party: BJP

Election constituency: Asansol, West Bengal

Election Date: May 7, 2014

Babul Supriyo

A playback singer in Bollywood and Bengali cinema, Babul Supriyo will be contesting on a BJP ticket in the 2014 Lok Sabha polls. The voice behind several hit songs, Supriyo said it is the biggest challenge for him to represent the party and said there is no emergence of any third front. The country needs a strong leader like Modi.

Born and raised in Kolkata, Supriyo comes from a prestigious musical family in West Bengal. After receiving training from his grandfather and noted composer, Banikantha NC Baral, the singer won numerous accolades by participating in inter-school musical competitions in Don Bosco. He enthralled audiences in 45 inter-college music competitions. Since childhood, he has been a regular performer for

AIR and Doordarshan.

Is the stage set for the singing maestro to find space in the political arena? To know more, read what Ganesha foresees for Babul Supriyo's political stint -

Stars Speak (Astrological Factors)

Ganesha observes that on the election date, Moon will be transiting through the 9th House from Babul's Natal Sun and Jupiter. Sun and Ketu will be transiting over his debilitated Saturn. Venus will be exalted in the fifth House from Sun.

The retrograde Mars will be transiting over his Uranus and Pluto. Saturn and Rahu will be transiting over his Venus and Mars. Jupiter will be transiting through the 8th House from his Natal Sun.

Prediction (Astrological Analysis)

Planetary transits in Babul Supriyo's Surya Kundli are indicative of initial attraction during campaigns, but that doesn't mean that it would result in his victory.

On the day of election, the planets are not so powerful in Supriyo's Chart, and thus reaching the desired success would not be easy.

Saturn Rahu's opposition to Natal Saturn is very adverse for him. Saturn to Saturn opposition is degreecal. Sun and Ketu's transit over his Natal Saturn indicates that his opponents will be stronger than him.

He will not be able to defeat them. Except for transiting Venus, nothing is in Babul's clear cut favour. There are evil transits happening to his Natal planets.

Conclusion

Ganesha strongly feels that Babul is going to lose in these LS Elections, and his LS hopes may be dashed by a considerable margin.

Stars do not promise victory for the ace cricketer in the Elections 2014, says Ganesha.

Name of the Candidate/ Party - Mohammad Kaif

Candidate's Birth Date: 01/12/1980

Party - Indian National Congress

Constituency, City, State - Phulpur, Uttar Pradesh

Election Date - 7th May 2014

Mohammad Kaif - Kundli

Although he played his last international innings against South Africa eight years ago, the ex-Indian cricketer, Allahabad-born Mohammad Kaif is doing something different this time. Touring extensively, he is reaching out to the people of Phulpur constituency in UP, seeking their support on a Congress ticket for a LS seat post 2014 General Elections.

In 2000, Kaif made his international debut by leading India to its first Under-19 World Cup trophy. Since 2006, he has lead Uttar Pradesh in the Ranji Trophy where his team bagged 2005-06 Ranji trophy. Thereafter, his team ended runners-up twice between 2007 and 2009.

The 33-year-old played 125 ODIs by scoring 2,753 runs and 624 runs in 13 tests. Are political stakes high for the pinch hitter, and will the magic formula work in his favour this time? Read more to understand his planetary positions --

Stars Speak (Astrological Factors)

In Mohammad Kaif's Surya Kundli, Venus is Swagruhi and Saturn, Jupiter and Moon are in conjunction. Thus in his Chart, there is Lakshmi Yoga of Jupiter-Moon and Vish Yoga of Moon-Saturn. Ganesha also notes the presence of Kalsarp Dosha in Kaif's chart. Mars is in Sagittarius, which makes him energetic and enthusiastic.

Prediction (Astrological Analysis)

In Kaif's Surya Kundli, Saturn and Sun are not causing any adverse impact. Ganesha predicts that the planetary positions will help him perform better in the long run. Sun is in the 1st House, which will help him earn him a better post in the future.

Moon-Jupiter-Saturn will make him patient, and shall help him become a praiseworthy politician. Talking about his transiting planets, Ganesha says both Natal Venus and Mercury are disturbed in his Surya Kundli. Jupiter does have its favourable impact to an extent, but the overall influence of the current planetary positions may not cause major development in Kaif's political career during the upcoming elections.

Conclusion

Mohammad Kaif may not perform extraordinarily, during Lok Sabha Elections 2014. However, he will be able to maintain his overall image, foresees Ganesha.

Will striker Bhutia shoot a winning goal against rivals in 2014 polls? Probes Ganesha.

Name of the Candidate/ Party -- Baichung Bhutia/ Trinamool Congress

Candidate's Birth Details -- 15th December 1976

Election Date : 7th May, 2014

Place of birth : Tinkitam, Sikkim

Bhaichung Bhutia's Kundli

Nicknamed Sikkimese Sniper, footballer Baichung Bhutia is eyeing for Darjeeling constituency on a Trinamool Congress ticket in the 2014 General Elections.

As a striker, Bhutia has been described as God's gift to Indian football and made his presence felt in the international arena. He represented East Bengal Club for many years participating in school and local clubs in his home state. Due to his unmatched performance at 1992 Subroto Cup, he was feted with the Best Player award. Among his footballing honours include winning LG Cup, Nehru Cup, SAFF Championship and AFC Challenge Cup.

Other than football, he represented basketball, badminton and athletics in sports. Son of a farmer, Bhutia joined school following his uncle, Karma Bhutia's decision. Can he score a winning goal in the

political game? Does he have extraordinary abilities to become a politician? See what Ganesha has to say -

Stars Speak (Astrological Factors)

In Baichung's Surya Kundali, Swagruhi Mars is posited in the Ascendant House, while Ketu and Jupiter are in conjunction in the 9th House. The Retrograde Saturn is also positioned in the 9th House. Additionally, Mars is combust, whereas Jupiter is retrograde, observes Ganesha.

Since Mars is comparatively strong in his Surya Kundali, this makes Bhutia a good sportsman.

But in order to become an able politician, he needs to have a strong Saturn in his Surya Kundali. Ganesha feels that he will have to be patient, and give himself some time for that.

Prediction (Astrological Analysis)

Jupiter is transiting through the 8th House in Baichung's Surya Kundali, and according to Ganesha, this particular planetary movement gives neither good nor bad results.

Saturn and Rahu are transiting over his Natal Rahu. And, Ketu is transiting over his Natal Ketu-Jupiter - these planetary transits may not prove quite favourable for him, adds Ganesha. Besides, on 7th May 2014, the day of polling in Bhutia's constituency, the transiting Moon as well as Sun will be in conjunction with malefic planets - another bad sign for him. So, overall, it is going to be a tough period for Baichung on the political front.

Conclusion

Considering the transiting planets, Natal planets and planetary positions on the day of the polling in Tinkitam, Sikkim, Baichung's performance during Lok Sabha Elections 2014 looks set to quite average.

He is unlikely to get many votes, feels Ganesha. And if Bhutia fails to campaign aggressively, his performance will be rather disappointing, foretells Ganesha.

A newbie set to contest from Delhi. What have the stars in store?

Name of the Candidate: Manoj Tiwari

Party: BJP

Candidate's Birth Date: 1st February 1973

Constituency, City, State: North East Delhi

Election Date: 10th April, 2014

Manoj Tiwari's Surya Kundli

Bhojpuri actor-turned-politician Manoj Tiwari is leaving no stone unturned to make his mark during 2014 General Elections. The stage is all set for the BJP aspirant to take on his rivals from the North East Delhi constituency.

Not only is he a singer, actor by profession, but also a television presenter and music director from Bihar. In 2009, he represented the Samajwadi Party and played a crucial role as being its candidate from Gorakhpur constituency.

Hailing from Atarwalia, a small village in Bihar's Kaimur district, Tiwari supported Ramdev's hunger strike at Ramlila Ground in June 2011. Later, he sang patriotic songs to attract protesters. Besides, he

was involved in protests following the Anna Hazare's arrest.

Will people identify enough with him to vote for him in these elections? How will his candidature be received? Ganesha takes a look at Tiwari's Kundli to predict the way ahead -

Stars Speak (Astrological Factors)

Ganesha observes that on the day of polling in Tiwari's constituency, Moon will be transiting through the 7th House from Tiwari's Natal Sun. Saturn and Rahu will be forming Square with the combination of Jupiter, Venus, Mercury and Sun in his Chart. Mars, the most powerful planet in his chart will be retrograde in transit. Jupiter will be transiting over his Natal Ketu.

Prediction (Astrological Analysis)

Considering all astrological factors, Ganesha feels that the game at North East Delhi constituency is going to be tough for Tiwari. His campaigns may not produce desired results and help him win votes.

He won't be able to attract masses like he normally does in film/TV industry. His popularity may not help him to great extent in politics, feels Ganesha.

The transiting Moon's position is also adverse and Mars, Saturn, Rahu are already unfavourable. Jupiter too is not in his favour.

Conclusion

Considering all the astrological factors, Ganesha feels that Manoj Tiwari is likely to lose in 2014 Elections.

STAR WARS

Not an LoC war, but this clash of titans is sure to make everyone sit and take notice!

Name of the Candidate :

Narendra Modi (BJP)

Arvind Kejriwal (AAP)

Constituency, City, State : Varanasi, Uttar Pradesh

Election Date : 12th May 2014

The run up to the 2014 Lok Sabha Elections is getting fiercer and murkier with each passing day. With the newbie Aam Aadmi Party (AAP) declaring the party supremo Arvind Kejriwal as its candidate against BJP's Prime Ministerial candidate feisty Narendra Modi for Varanasi's Lok Sabha seat, the battle got even better and interesting.

Polls take place in the ancient temple town's constituency on 12th May 2014.

The agenda of both the contenders remains the same - the fight against corruption and making India a corruption-free society.

While one is inclined to bring in strong legislation laws through the Lok Pal Bill, the other wants to free the country from the Congress-led UPA government, bringing an end to the years of dynastic politics.

The 45-year-old Kejriwal is contesting his first general election this time, while for the reigning Gujarat Chief Minister Narendra Modi, this is the most prestigious Lok Sabha Election, as he is being projected as the face of the Bhartiya Janata Party.

Will the charisma of ex-tax officer in attracting masses work and oust the very successful and popular three time Gujarat CM - who himself is an excellent orator and charismatic politician?

Ganesha takes a look at the Horoscopes of both the top-guns to predict the way ahead -

Narendrabhai Damodardas Modi : Date of Birth : 17th September 1950, Time of Birth : 10:00:00, Place of Birth : Vadnagar, Gujarat

Narendra Modi's Birth Chart

Arvind Kejriwal : Date of Birth : 16th August 1968, Time of Birth : 23:46:00, Place of Birth : Siwani, Haryana

Arvind Kejriwal's Birth Chart

Stars Speak (Astrological Factors)

Mr. Modi is presently under the influence of Moon and Rahu Dasha sequences. His Natal Moon rules the 10th House of success in

politics and his natal Rahu signifies the 6th House of success in competition.

Jupiter, being the Lord of the 6th House in Modi's Natal Chart is presently transiting through his 9th House of Fortune. Also, his yogakaraka planet Saturn is transiting with its friendly planet Rahu through Modi's Ascendant House.

In Arvind Kejariwal's Birth Chart, it is noteworthy that he is currently under the influence of Jupiter-Mahadasha and Venus Bhukti. Jupiter is the 8th House Lord in his Horoscope, which does not signify much for success in political endeavours.

So, the Jupiter-Venus period during the elections may not help his cause much. Still, the Venus-Mercury-Jupiter-Sun stellium in the 4th House in his Horoscope brings a lot of promise. The transiting Saturn and Rahu in his 6th House, aspecting the Natal Saturn, however, also indicate stiff competition and many hurdles for Kejriwal.

Prediction (Astrological Analysis)

The aforementioned planetary forces indicate that Arvind Kejariwal will try his level best to appease the voters in Varanasi. But, the affliction of his 6th House (the House of Competition) may not bring the desired fruits for him.

In other words, he may not be able to grab the expected numbers of votes. It would be by his sheer will power, if he manages to succeed, that is. Otherwise the stars don't favour him much.

On the other side, Narendra Modi's antardasha Lord Rahu indicates a methodical approach and skillful attitude that shall help him appease the voters of Varanasi. This factor will help him gain more numbers of votes in this constituency.

Conclusion

Summarily, Ganesha is of the opinion that the desired success may be expected for Mr. Modi from Varanasi.

It's a tough battle out there...yet Dr. Harshvardhan's stars seem to triumph over Sibal's, says Ganesha.

Name of The Candidates

Dr. Harsh Vardhan

Kapil Sibal

Candidates' Birth Details:

Dr. Harsh Vardhan - (BJP) Birth date: 13-12-1954

Kapil Sibal - (Congress) Birth date: 08-08-1948

Constituency, City, State : Chandni Chowk, Delhi

Election Date: 10th April 2014

The Chandni Chowk seat in Delhi is set to witness a keen contest between Kapil Sibal of Congress and Harshvardhan of BJP in the 2014 Lok Sabha elections on April 10. In 2004, Sibal defeated the BJP's Smriti Irani by nearly 80,000 votes while in 2009, he beat the BJP's Vijender Gupta by over 2 lakh votes from the same seat. A lawyer by profession, Sibal has been in charge of various ministries in the UPA government over the years, including the ministries of science and technology, human resource development, communications and IT and law and justice.

However, the upcoming elections may not be such a cakewalk for him. The BJP will be represented by Harshvardhan, a former RSS member and a doctor. He had held responsibility of various portfolios in the Delhi state cabinet during the BJP's reign between 1993 and 1998. Throwing a spanner in the works for both will be the AAP's Ashutosh, a Hindi television journalism influenced by the agitation for the Jan Lokpal Bill by Anna Hazare.

What lies ahead? Ganesha takes a peek.

Dr. Harsh Vardhan - Surya Kundli

Kapil Sibbal - Surya Kundli

Star Speak (Astrological Factors)

Saturn is in the 4th House from Moon, in Dr. Harshvardhan's Surya Kundali. Ganesha also notices that Saturn and Rahu are transiting over Venus in his Kundali.

Looking at Kapil Sibbal's Surya Kundali, Ganesha finds that he is going through the last phase of Saturn Sade Sati.

Prediction (Astrological Analysis)

The 4th House from Moon in Dr. Harshvardhan's Kundali is currently under the influence of Small panoti. Besides, Saturn and Rahu are transiting over his Natal Saturn hence he will have to work really hard to achieve desired results.

It is not going to be a smooth sailing for Kapil Sibbal either. He is under the influence of Saturn Sade Sathi and Saturn and Rahu are transiting over his Natal Ketu, so he will have a tough time saving his seat in the upcoming General Elections.

Conclusion:

In all likelihood, it is going to be a tough battle in Delhi's Chandi Chawk constituency. Considering the planetary alignments, Ganesha predicts the victory for Dr. Harshvardhan, considering the contest between these two. Stars to favour Veerendra Kumar as he contests from Palakkad, Kerala seat in 2014 LS Elections.

Name of the Candidates:

VirendraKumar (Janata Dal)

M.B. Rajesh (Markswadi Party)

Constituency, City, State : Palakkad, Kerala

Election Date: 10th April 2014

The battle lines are drawn in the Palakkad Lok Sabha constituency in Kerala. The veteran septuagenarian Veerendra Kumar (77), who is the millionaire owner of the Matrubhumi group and is backed by the Congress, will take on incumbent MB Rajesh (42) of the Communist Party of India-Marxist (CPI-M). Veerendra Kumar may have age against him, but he is very resourceful and has sufficient political

support in Palakkad. The former minister of state at the centre (1996 to 1998) perhaps wants to sign out in style by winning one last time – but MB Rajesh is no novice. He rose through the ranks, first as a student leader and then through the Democratic Youth Federation of India, which he heads now. The youthful lawyer has been in the forefront of raising developmental issues in his constituency, and is a Congress baiter on issues related to policy and ideology. Ganesha takes the help of Vedic astrology to find out the prospects of these two high-flying candidates.

Kundli : VirendraKumar (Janata Dal)

Kundli : M.B. Rajesh (Markswadi Party)

Stars Speak:

As per the Surya Kundali of Mr. Virendra Kumar, his Ascendant Sign is Cancer. The Lord of the Ascendant is Moon, and Moon-Rahu are posited in the 5th House in his Chart. Jupiter is the Lord of the 9th House, whereas the Lord of the 7th House Saturn is in his Chart's 9th House. The transiting Jupiter is aspecting his Natal Jupiter.

As per M B Rajesh's Surya Kundali, the Lord of the Ascendant is in the 4th House. The Lord of the 9th House Venus is in the 3rd House, and is aspecting the 9th House. Ketu is transiting over Rajesh' Natal Venus. Ganesha also notes that Saturn-Rahu and Jupiter are transiting through his 9th House. He is currently under the influence of Satur-Saturn-Rahu mahadasha.

Prediction (Astrological Analysis)

In Virendra Kumar's Surya Kundali, the transiting Jupiter is aspecting the Lord of the 9th House Jupiter, whereas in M B Rajesh's Kundali Ketu is transiting over Lord of the 9th House Venus. Mahadasha also does not impart required strength to M.B. Rajesh's Surya Kundali.

Conclusion:

A tough battle to ensue in Shimoga, Karnataka. Stars favour B. S. Yeddyurappa, says Ganesha.

Name of the Candidates:

B. S. Yeddyurappa (BJP)

Manjunath Bhandari (Congress)

Candidates' Birth Details:

B. S. Yeddyurappa - 27-2-1943, Madhya Pradesh

Manjunath Bhandari - 14-10-1962

Constituency, City, State : Shimoga, Karnataka

Election Date: 17th April 2014

BS Yeddyurappa, the first BJP Chief Minister from southern India, who left the party in 2012 when corruption charges were leveled against him, but returned in January this year, is a Lingayat strongman and has a major presence in Shimoga, Karnataka.

His main opponent in this year's General Elections from Shimoga LS seat will be Congress's Manjunath Bhandari.

The Congress fielded Bhandari after senior leaders like Kagodu Thimmappa and state minister Kimmane Ratnakar refused to contest from this seat. Bhandari, a businessman and member of the AICC, is a fresher in electoral politics, but is said to be close to Union minister Oscar Fernandes. Yeddyurappa is most likely to be a major force in these elections.

In the 2013 Assembly Elections when Yeddyurappa contested as a Karnataka Janatha Paksh candidate, the BJP failed to win a single seat from Shimoga, despite it being a strong base of the RSS and BJP. Now, with Yeddyurappa back in their wings, the BJP looks a more formidable force. Ganesha predicts, with the help of Vedic astrology, what will ensue in this battle of titans.

Kundli : B. S. Yeddyurappa (BJP)

Kundli : Manjunath Bhandari (Congress)

Stars Speak:

In B. S. Yeddyurappa's Surya Kundali, Mars, Venus and Sun are quite strong. In Manjunath Bhandari's Surya Kundali, Ketu is transiting over Moon. Besides, Rahu and Saturn are in the 2nd House in Manjunath Bhandari's Surya Kundali which indicates a possibility of downfall.

Prediction (Astrological Analysis)

From 15-04-2014 onwards, the Sun will be in Aries and in the 3rd House of B. S. Yeddyurappa's Kundali. This indicates sudden gains. Jupiter is also quite strong in his Surya Kundali.

In Manjunath Bhandari's Kundali, Saturn-Ketu are in the 10th House from Moon. Besides, Ketu is transiting over Moon and Jupiter is not very powerful. Thus, Bhandari may have to face some resistance during the 2014 LS Elections.

Conclusion:

On the day of polling in Shimoga, the planetary positions are going to support B. S. Yeddyurappa to a great extent. However, in Manjunath Bhandari's Surya Kundali, the Sun will be transiting over Moon. Besides, Saturn is in the clutches of Rahu. Hence, his performance is likely to be rather poor. **Ganesha predicts that the possibility of B. S. Yeddyurappa winning the elections is brighter.**

Rajiv Pratap Rudy looks set to score over ex-CM, Bihar Rabri Devi in 2014 General Elections, says Ganesha.

Name of the Candidates:

Rabri Devi (RJD)

Rajiv Pratap Rudy (BJP)

Candidates' Birth Details:

Rabri Devi (RJD) - 01-01-1955

Rajiv Pratap Rudy (BJP) - 30-3-1962

Constituency, City, State : Saran, Bihar

Election Date: 7th May 2014

Come 7th May 2014, and all eyes shall be on the Saran parliamentary

constituency, which is witnessing a tough contest between three-term Bihar Chief Minister Rabri Devi and senior BJP MP Rajiv Pratap Rudy on May 7. The fight will intensify further as Rabri's brother Anirudh Prasad alias Sadhu Yadav too will contest from the same seat as an independent candidate.

Kundli: Rabri Devi (RJD)

Kundli: Rajiv Pratap Rudy (BJP)

Born in 1959, Rabri is the wife of Rashtriya Janata Dal leader Lalu Prasad Yadav and hardly had any interest in politics. But, she took CM reins from her husband after the latter was reportedly found accused in fodder scam. She had been a Bihar Vidhan Parishad's Legislative Council member.

Rudy, on the other hand, was born in Rajput family, Patna. Before entering state politics, he played an active role in student politics at Panjab University. He served as Minister of State for Commerce, Trade & Industry and became Civil Aviation Minister with independent charge in the Vajpayee-led NDA government.

As these bigwigs are attacking each other with inflammatory speeches, let us delve into the outcome of what their stars have to say. Read more to understand their planetary positions -

Star Speak:

In Rabri Surya Kundali, Sun-Moon have formed Kendra Yoga. Jupiter and Venus are in centre, from Moon. However, Jupiter is in Shadashtak from Sun. Ganesha observes that Venus is in the 12th House from Sun. There is Sun-Rahu Grahan Dosha in her chart. She will be going through Sun Mahadasha at the time of elections. Rajiv Pratap's Surya Kundali indicates that Sun-Moon have formed Kendra Yoga. Besides, Mars, Mercury and Jupiter are in conjunction, and that is an auspicious indication. Saturn-Ketu conjunction hints that there may be challenges in his life.

Prediction (Astrological Analysis)

Radri Devi will be going through Sun Mahadasha on the day of the elections in her constituency. But Sun is posited with Rahu, and as a result, the Mahadasha will not prove to be as favourable as expected. Since some of her planets are weakly posited, she may not be able to convince the voters enough. However, there may be some positive planetary movements on the day of elections. Hence, she may be able to give a tough competition to her competitor. On the election day, Mars, Jupiter, Moon and Venus will be transiting from the Cardinal Houses, Saturn-Rahu from the 11th House and Sun-Ketu from the 5th House, in Rajiv Oratap Rudy's Surya Kundali. According to Ganesha, the overall planetary picture supports Rajiv Pratap in this elections.

Conclusion:

Considering the planetary positions in Rabri Devi's and Rudy's

Horoscopes, Ganesha foretells that there is a strong possibility that Rajiv Pratap Rudy will win the elections from the Saran seat in Bihar in 2014 General Elections.*

*Please note this prediction has been done only basis the Kundlis of two contestants; if there are other contestants fighting from this seat, there Kundlis were not considered owing to unavailability of the credible birth data.

The 56-year-old Gadkari has been a member of the state legislative council since 1989 and was also a minister in the Shiv Sena-BJP government. In 1985, he failed in his attempt to get elected to the state assembly from Nagpur (West). Now, Gadkari will be hoping that nearly 30 years of

development work he has undertaken in the region will help him win the Lok Sabha election. He has taken great pains to help families in the Dalit-Muslim population. Vilas Muttemwar, on the other hand, has been elected four times in a row from Nagpur. Anjali Damania of the Aam Aadmi Party, who has leveled corruption charges against Gadkari, has added more spice to the contest, and will be hoping to ride the Kejriwal wave to win this prestigious seat.

Kundli: Nitin Gadkari

Kundli: Vilas Muttemwar

Stars Speak:

Saturn and Rahu are transiting over Moon in Libra, in Nitin Gadkari's Surya Kundali. Jupiter is transiting over Mercury in Gemini.

In Vilas Muttemwar's Kundali, Saturn-Rahu are transiting over Ketu. From November 2014, Muttemwar will be under the influence of Saturn Sade Sati.

Prediction (Astrological Analysis)

Since Saturn is transiting over Moon in Nitin Gadkari's Kundali, he will have to be ready to give a tough fight to his opponents.

Vilas Muttemwar will also have to put in his best as he will soon be under the influence of Saturn Sade Sati, which may hurt his political prospects.

Conclusion:

Considering the planetary positions in these two Surya Kundalis, Ganesha feels that Nitin Gadkari has stronger planetary combinations in his Surya Kundali than Muttemwar has.

Although Vilas Muttemwar looks set to give Gadkari a run for his money, Gadakari may be able to win with a marginal difference in the vote counts.*

*Please note this prediction has been done only basis the Kundlis of two contestants; if there are other contestants fighting from this seat, there Kundlis were not considered owing to unavailability of the credible birth data.

Yet, in these elections, Pravesh Verma will score over Diskshit, says Ganesha.

Name of the Candidates:

Sandeep Dikshit - (Congress)

Parvesh Verma - (BJP)

Candidate's Birth Details:

Sandeep Dikshit – 15-8-1954, Lucknow

Parvesh Verma – 07-11-1977

Constituency, City, State : Delhi, East

Election Date: 10th April 2014

Sandeep Dikshit, the Congress candidate from East Delhi Lok Sabha constituency, will square up against BJP's Parvesh Verma in the 2014 Lok Sabha polls. Rajmohan Gandhi of AAP actually makes this a three-way contest. However, Dikshit looks upbeat about winning, despite the fact that his party fared poorly in the recent Delhi Assembly elections. He feels the 'AAP-wave' is all but finished. A few days ago he said, "An illusion was created by making attractive promises and people thought of giving other parties a chance thinking their lives would be better. However, now the so-called wave is over."

Parvesh Verma, the son of former Delhi CM Saheb Singh Verma, is equally upbeat, hoping the 'Modi-wave' will work in his favour. Besides, with Harshvardhan, the BJP's CM candidate in the recent Assembly elections, campaigning for Verma could swing a chunk of votes in the latter's favour. Ganesha takes a look at the fate of this constituency with the help of Vedic astrology.

Kundli: Sandeep Dikshit - (Congress)

Kundli: Parvesh Verma - (BJP)

Star Speak:

In Sandeep Dikshit's Surya Kundali, Saturn and Rahu are transiting through the 4th House in the Cancer Ascendant. Jupiter is with Ketu in the 12th House from Sun. This is not a favourable sign. In Pravesh Verma's Surya Kundali malefic Venus in the 3rd House will produce some definite results. Saturn, Rahu and Mars may bring favourable times for him.

Prediction (Astrological Analysis)

In Sandip Dikshit Kundali, Saturn is in the 4th House, and as per

Ganesha's view, this particular planetary position will not give him profitable results. Please note that when the significator of the public life is not strong in one's horoscope, one has to be ready for an uphill climb to attain power and position, says Ganesha.

In Pravesh Verma's Surya Kundali, the significator of public life, Venus, is in the 9th House with Swagruhi Mars. Hence, the possibility of him winning the elections is brighter.

Conclusion:

Sandeep Dikshit and Pravesh Verma will give each other a tough fight. Ganesha predicts that Pravesh Verma may win the elections by a small margin, given the stars of the third or fourth candidate/s are not stronger than him.

Yet, in these elections, Pravesh Verma will score over Diskshit, says Ganesha.

It'll be a close battle in Amritsar...between Amrinder Singh and Arun Jaitley, says Ganesha.

Name of the candidates:

Arun Jaitley

Captain Amrinder Singh

Candidates' Birth Details:

Arun Jaitley – 28-11-1952, New Delhi

Captain Amrinder Singh – 11-03-1942, Patiyala

Constituency, City, State - Amritsar, Punjab

Election Date: 30th April 2014

Amritsar is going to witness one of the 'hot' contests this Lok Sabha Elections with BJP's Arun Jaitley and Congress's Captain Amarinder Singh being pitted against each other.

Kundli : Arun Jaitley

Kundli : Captain Amrinder Singh

In the 2009 LS polls, BJP's Navjot Singh Sidhu had won this seat. Amarinder Singh is a former Chief Minister of Punjab (2002 to 2007), and though he was reluctant to contest from Amritsar, he was prevailed upon by his party to take on BJP's heavyweight Arun

Jaitley. An MLA from Patiala constituency, Singh is the son of former Maharaja of Patiala, Yadavendra Singh and Mohinder Kaur, and served as a Captain in the Indian Army, before entering politics.

61-year-old Arun Jaitley, on the other hand, is contesting elections for the first time by replacing BJP's three-time sitting MP Navjot Singh Sidhu. The Rajya Sabha member has been a "strategic planner" of BJP, and has managed many Assembly elections in different states. Ganesha figures out which of the two is more likely to win.

Star Speak:

In Arun Jaitley's Surya Kundali, the Lord of the 10th House, Sun, is strongly posited in the Ascendant. Ganesha also notes that Ascendant Lord is in conjunction with the Lord of the 10th House in the Ascendant House itself. The Lord of the 5th House, Jupiter, is aspecting Saturn, the Lord of the 3rd House. It is noteworthy that Mars-Rahu conjunction in the 3rd House makes one a popular public figure.

In Captain Amrinder Singh's Surya Kundali Ganesha notes that there is the conjunction of the Lord of the Ascendant, Lord of the Profession House and the Lord of the Gain House. This conjunction may help him come to power. The planetary positions in his Birth Chart may also make him a good politician.

Prediction (Astrological Analysis)

The planetary positions in Arun Jaitley's chart make him strong enough to defeat his opponents. However, the planetary transits till 11th May 2014 do not favour Jaitley a lot.

On the other hand, Captain Amrinder Singh's Navmansh chart paints a better picture in comparison.

He may have things going for him till 11th May 2014. The matters are bit complex here. According to Ganesha, Jaitley's Surya Kundali is much stronger than Captain's Surya Kundali. Hence, in all likelihood, it is going to be a close competition between these two candidates.

Conclusion:

Although the transiting planets support Amrinder Singh more, Ganesha foresees that Arun Jaitley may win the elections as Natal planetary combinations are quite strong in his Surya Kundali.

Stars to swing in Manpreet Badal's favour in 2014 General Elections, feels Ganesha

Name of The Candidate:

Harsimrat Kaur (Shiromani Akali Dal)

Manpreet Singh Badal (Congress)

Candidates' Birth Details:

Harsimrat Kaur - 25/07/1966

Manpreet Singh Badal - 26/07/1962

Constituency, City, State : Bhatinda, Punjab

Election Date: 30th April 2014

A bitter family feud enters the political field in Punjab's Bhatinda constituency, in the 2014 General Elections. Congress and the People's Party of Punjab (PPP) have formed a poll alliance, pitting Manpreet Singh Badal, Punjab Chief Minister Parkash Singh Badal's nephew, against his sister-in-law Harsimrat Kaur, who is also the sitting MP.

Manpreet has been strongly criticised by the Chief Minister for forming his own party, and teaming up with the Congress, which was

the "enemy of the entire Sikh community and the Akali Dal".

Manpreet was suspended from the Shiromani Akali Dal and dropped as finance minister in the Badal government in October 2010 for carrying on anti-party activities. With charges and counter-charges flowing thick and fast, this is shaping up to be an interesting contest. Read on to know Ganesha's take on this key contest.

Kundli : Harsimrat Kaur (Shiromani Akali Dal)

Kundli : Manpreet Singh Badal (Congress)

Stars Speak:

In Harsimrat Kaur's Chart, transiting Saturn is afflicting her Natal Sun and the transiting Sun. Moreover, the retrograde Mars is getting

afflicted by her Natal Saturn. At present, the Sun is transiting over Kaur's Natal Rahu. The transiting Moon is in Aries, and it is afflicted. Both Moon and Sun are going through Grahans. Kaur is under the influence of the second phase of Saturn Sade Sati.

Whereas in Manpreet Singh Badal's Surya Kundali, the transiting Saturn is aspecting his Natal Sun and the transiting Sun. The transiting Mars is in the 3rd House, in Virgo in his Solar Horoscope. Ganesha notes that his Natal Mars is well-posed, though. His Natal Jupiter and the transiting Jupiter are in Angular Houses which is a positive sign. The transiting Sun and Natal Sun are also in the Angular House. His Natal Rahu is in the 4th House with the transiting Saturn.

Prediction (Astrological Analysis)

Ganesha analyses both the Surya Kundalis, and observes that Manpreet Singh Badal has more powerful planetary alignment in his Surya Kundali. He is under the influence of Jupiter Mahadasha, which will give him an edge over his competitor in the General Elections 2014.

Conclusion:

The possibility of Manpreet Singh Badal winning the elections is strong. However, the battle will be full of excitement with fortunes swinging on both sides. Ganesha foresees that Manpreet Singh Badal will win with a very low margin, though.

Stars to favour the newbie Satyapal Singh in Baghpat clash in 2014 LS Elections, says Ganesha.

Names of The Candidates:

Ajit Singh (RLD)

Satyapal Singh (BJP)

Constituency, City, State - Baghpat, Uttar Pradesh

Polling Date: 10th April 2014

In another crucial contest, the veteran politician and RLD leader Ajit Singh will slug it out against the former Mumbai police commissioner Satyapal Singh, who is fighting on a BJP ticket from the western Uttar Pradesh's Baghpat constituency.

Ajit Singh, son of the former Prime Minister of India, Chaudhary Charan Singh, founded the Rashtriya Lok Dal (RLD) in the year 1999. Now 74, the Jat leader is the Union Civil aviation minister in the UPA government, and wields a lot of influence in Baghpat. He has won Lok Sabha elections six times, and lost only once in 1998. Singh has been a vital player in Uttar Pradesh politics at different junctures. An IIT-Kharagpur alumnus and a computer engineer by profession, Ajit Singh went to Illinois Institute of Technology, Chicago and also worked for 15 years in the US before returning to India in 1986 to enter politics.

Pitted against him is BJP's 58-year-old Satyapal Singh, an IPS officer of the 1980 batch. He was to retire in 2015, but he became the first serving police commissioner of Mumbai to quit the post in February this year to join politics. He will be fighting his elections for Bhartiya Janata Party.

Ganesha takes a look at both the leaders' Horoscopes to see who will swing the tide in this key constituency of Baghpat, Uttar Pradesh.

Ajit Singh (RLD) (Date of Birth - 12/02/1939)

Satyapal Singh (BJP) (Date of Birth - 29/11/1955)

Stars Speak:

In veteran leader Ajit Singh's Kundali, Mercury, the Lord of the 9th House, is in the Ascendant House and is also posited in the constellation of Mars. The Lord of the Ascendant, Saturn, is in the 3rd House in a constellation ruled by Mercury. The Lord of the 7th House, Moon, however, is in the Gains House with its enemy planet Mars. Ajit Singh is under the influence of Mars-Venus-Venus- Moon Dasha.

In Satyapal Singh's Surya Kundali, the Lord of the Ascendant is in the

12th House, in the Swati constellation. The Lord of the 9th House, Moon, is in the 7th House in Kritika constellation. Additionally, the Moon is in conjunction with Ketu, observes Ganesha. The Lord of the 7th House, Venus, is in the Mula constellation and in the 2nd House. Ketu, Sun, Saturn and Rahu are in Cardinal House, forming Nichbhang Rajyoga in Satyapal Singh's Surya Kundali.

Prediction (Astrological Analysis)

Considering these two Surya Kundalis, Ganesha arrives at some interesting analysis -

The fight between them will go down the wire - the intense battle shall leave people guessing till the last minute.

Ajit Singh's Moon is in the Navpancham Yoga (9-5 relationship). Moreover, the transiting Jupiter shall not be aspecting the Lord of his Horoscope's 7th House, Moon. Whereas in Satyapal Singh's Surya Kundali, the transiting Jupiter is aspecting the Lord of the 7th House, Venus. Besides, Satyapal Singh is under the influence of Mercury antardasha in Saturn mahadasha.

On 10/04/2014, the transiting Moon will be in the Tri-ekdash House, and it will be aspecting the 9th House in Satyapal Singh's Chart. Also, the transiting Jupiter shall be aspecting his Natal Mars. Whereas, Ganesha notes that Ajit Singh is going through Badhakesh mahadasha period.

All in all, the stars seem to be in Satyapal Singh's favour.

Conclusion:

The contest between Ajit Singh and Satyapal Singh is going to get very exciting and interesting. Ganesha predicts victory for Satyapal Singh.

Stars tilt in the favour of Kirit Somiya contesting for Lok Sabha 2014 Elections.

Name of the Candidates:

NCP's Sanjay Dina Patil

BJP's Kirit Somaiya

AAP's Medha Patkar

Constituency, City, State : North – East Mumbai, Maharashtra

Election Date: 24th April 2014

A tough three-way contest is on the cards in the North-East Mumbai Lok Sabha constituency with sitting NCP MP Sanjay Dina Patil pitted against BJP's Kirit Somaiya and Aam Aadmi Party's Medha Patkar, a social activist and reformer turned politician. Patkar is the founder member of Narmada Bachao Andolan. Since 1967, this constituency has shown a distinct bent towards the Congress party, but, with a single exception, has never elected a candidate twice in succession. The exception was Subramanian Swamy who won on the Janata Party ticket in 1977 and 1980. BJP has so far won three times with Jayawantiben Mehta in 1989, Pramod Mahajan in 1996 and Kirit Somaiya in 1999. The constituency consists of Assembly segments of Mulund, Vikhroli, Bhandup West, Ghatkopar East and Ghatkopar West, and Mankhurd Shivaji Nagar.

Stars Speak:

In the sitting NCP MP Sanjay Dina Patil's Kundali, Saturn and Rahu are transiting over Mars. From November 2014, he will be under the influence of the Saturn Sade Sati. In his chart, Saturn and Rahu are in the Zodiac Sign Pisces.

Kirit Somaiya has an Aries Ascendant, and Saturn and Rahu are transiting over his Natal Saturn.

Whereas in Medha Patkar's Kundali, Saturn and Rahu are transiting through the 10th House from Moon.

Candidates' Details:

NCP- Sanjay Dina Patil - 10-1-1969, Mumbai

BJP- Kirit Somaiya- 12-2-1954, 12:00, Mumbai

AAP- Medha Patkar - 1-12-1954, Mumbai

Prediction (Astrological Analysis)

Since Saturn is transiting over the Natal Mars and Saturn-Rahu are transiting through 10th House from Sun in Sanjay Dina Patil's Horoscope, it looks set to be an already difficult period for Sanjay Dina Patil.

In Kirit Somaiya's Birth Chart, Saturn-Rahu are transiting over his Natal Saturn, and through the 7th House. From June 2014, Rahu will be in his 6th House, and according to Ganesha, it may prove to be a favourable planetary movement for Somaiya.

In Medha Patkar's Kundali, Saturn and Rahu are transiting over her Natal Saturn, which is a difficult aspect. But, they are moving through the 10th House from Sun, hence she will be able to give some fight to her competitors.

Conclusion:

Considering the planetary positions in these three candidates' Kundalis, Ganesha foresees that it would get challenging for the sitting MP Sanjay Dina Patil to save his position. He will have to fight tooth and nail, especially against BJP's Kirit Somaiya, whose stars are quite favourable. Ganesha predicts that Medha Patkar, on the other hand, will give only an ordinary performance.

In a nutshell, Ganesha says that Kirit Somaiya may win the elections with a small margin from the North-East seat of Mumbai.

Amethi may be a battleground in 2014 General Elections – yet Ganesha still sees the traditional voters sticking to their *Chosen Ones!*

Cosmos may fade RaGa's popularity to a great extent during the 2014 Elections, feels Ganesha. However, despite his fading popularity and feeble chances of becoming the Prime Minister of India, Rahul Gandhi will continue to grow in stature in the Indian political scene, further asserts GaneshaSpeaks.com.

The glaring point in our political scene today is that a party, which dominated the Indian politics since independence, producing one charismatic leader after another, now appears to be teetering on the brink. Will Rahul Gandhi manage to step in and salvage the party from total ruin by winning the Lok Sabha elections?

The stars say, not really, says Ganesha.

Rahul Gandhi is currently under the influence of Mars Mahadasha and Jupiter Bhukti. Mars is placed in the star of Rahu and Jupiter is retrograde in the Ascendant. Jupiter owns the 6th house (house of enemy) in his chart and this planetary aspect would be a major roadblock for him. So, the General elections shall turn out to be a big electoral test for RaGa.

The transiting Saturn and Rahu are moving over the retrograde Jupiter. So, Rahul's role in the selection of candidates for the polls may cause turmoil within the Indian National Congress. Also, Rahul's political strategy and skills shall not enthuse the voters and his party members much.

As the transiting Jupiter is moving over Rahul's natal Sun and Mars, the traditional voters of Congress – the party loyalists – will look at him to guide them and govern at the national level, but he will be unable to fulfill their expectations. He will remain concerned and doubtful about himself or the system, and as a result he will not be able to express himself freely.

Rahul Gandhi's Birth Chart

Smriti Irani's Birth Chart

Kumar Vishwas' Birth Chart

In an 'adding fuel to fire' move, AAP recently pegged Kumar Vishwas, the eloquent politician and poet from Uttar Pradesh against RaGa at Amethi, the key seat of Congress and the Gandhi *parivar*. In Kumar Vishwas' chart, assert the GaneshaSpeaks.com's Astrologers, the transiting Jupiter is aspecting the natal Venus and Jupiter as well. So, he can be counted as a major challenge to "dynasty politics" in Amethi!

And, quite recently Bhartiya Jananta Party fielded the famous television *Bahu Smriti* Irnai from the same seat – which was quite a shocker.

Ganesha notes that Smriti has a strong Venus-Mercury conjunction in the 10th House of her Kundli, which indicates a successful acting career, and also makes her one of the prominent women leaders. She is currently under the influence of Mars Mahadasha and Saturn Bhukti. Saturn is the Yogakaraka planet in her chart bringing her to limelight in this elections season.

However, Saturn is retrograde and the star Lord Jupiter is also afflicted. So, she has a very tough battle to face in these Elections. Not to mention that she will be trying hard to woo the voters, and may also make inroads in Rahul Gandhi's strong constituency.

But, her efforts may not derive desired momentum. Despite being a very popular face and charisma, she may not be able to make desired impact on Amethi voters. However, her entry in Amethi will make the contest more interesting.

All in all the battle is quite fierce what with two very eloquent leaders contesting against Rahul Gandhi, who doesn't seem to be managing much confidence vote in 2014 Elections.

However, this should not spell the end for Rahul and Gandhis in Amethi. The transiting Saturn, Mars and Rahu in Libra will not augur well for Kumar Vishwas, so all is yet not won!

On the other hand, the transiting Jupiter is moving over the natal Sun and Mars in Rahul's chart. So, he may overcome Vishwas' threat

and may be able to retain his Lok Sabha seat from Amethi. It will be an interesting contest though!

Conclusion

The transiting Saturn, Mars and Rahu in Libra will not augur well for Kumar Vishwas, so he may really not win the Amethi seat, feels Ganesha.

On the other hand, the transiting Jupiter is moving over the natal Sun and Mars in Rahul's chart. So, he may overcome Vishwas' threat and may be able to retain his Lok Sabha seat from Amethi.

Smrit Irnai may get some support from the voters, but at best she will be able to play the role of a spoiler. Her chances of winning the prestigious seat of Amethi are not so strong.

All in all, although the chances of Rahul becoming the Prime Minister of India are very feeble, he still stands a chance to keep his traditional voters' base intact. Despite his failures, he may continue to play key role within the Congress and also in Indian politics in years to come.

Elections 2014 - Nandan Nilekani Vs H N Ananth Kumar: A David Vs Goliath battle

The co-founder of Infosys and the man behind the Aadhaar card, Nandan Nilekani will contest the Bangalore South seat on a Congress ticket in the forthcoming Lok Sabha elections. A novice in politics, he will take on the BJP heavyweight and 5-time MP HN Ananth Kumar. This looks like it is going to be an interesting contest, as the

constituency has over 22 lakh voters, largely cosmopolitan in nature. Mind games have already started with the BJP leader maintaining that the Congress candidate is just 18 days old to the constituency, while he has been around for the last 18 years. On the other hand, Nilekani said that's not the important thing, but the fact that the achievements of Kumar were insignificant.

Nandan Nilekani's Surya Kundli, Date of Birth : June 2, 1955, Place of Birth : Sirsi, Karnataka, India

H N Ananth Kumar's Surya Kundli, Date of Birth : July 22, 1959, Place of Birth : Bangalore, India

Nandan Nilekani

Star Speak: Ganesha observes the Surya Kundli of Nandan Nilekani and notes that Natal Saturn, which is retrograde, rules the 10th House of political career and it is conjunct with the Natal Moon in the 6th House.

What does it mean? These astrological factors indicate dealings with government and its agencies. A person's chances of involvement in politics as a career may also be due to this combination. However, Nandan may not get much success, due to the retrogression of his Natal Saturn. He may have to pass some testing times during the elections.

Star Speak: At present, he is under the influence of Saturn return through the 6th House. Plus, Rahu is also passing through the 6th House.

What does it mean? Hence, this factor indicates partial success in politics. Due to the affliction of natal Moon, he may face several problems on the political front. Malefic Ketu is transiting over his Ascendant Lord Venus through the 12th House. Hence, overall he will have a bumpy ride in his political career.

Ananth Kumar

Star Speak: Now in Ananth Kumar's Surya Kundli, yogakaraka Mars is conjunct with the Lord of the 11th House of gains. Jupiter, being the Lord of the 6th House of victory is presently aspecting the 6th House of his Surya Kundli. Saturn, being the signifier of 6th House is presently aspecting the 6th and 10th Houses too.

What does it mean? Considering these all planetary observations, Nandan Nilekani may find it difficult to compete with Ananth Kunmar in this upcoming Lok Sabha elections of 2014. In other words, Ananth Kunmar is likely to beat Nandan Nilekani in this elections.
